### **A BY-LAW TO ESTABLISH FEES AND CHARGES TO BE COLLECTED BY THE CORPORATION OF THE CITY OF KINGSTON**

**PASSED:** December 14, 2004

**WHEREAS** the Municipal Act, 2001, S.O. 2001, provides that a municipality may pass by-laws imposing fees or charges on any class of persons; and,

**WHEREAS** the Planning Act, being Chapter P. 13 R.S.O., 1990 as amended, provides that Council may prescribe a tariff of fees for the processing of applications made in respect of planning matters; and,

**WHEREAS** pursuant to the Building Code Act, 1992, S.O. 1992 c 23 as amended, Council may require the payment of fees on applications for and issuance of building permits and prescribing the amounts thereof, and,

**WHEREAS** the Corporation of the City of Kingston deems it expedient to consolidate and update the fees and charges to be collected by the various departments of the Corporation of the City of Kingston,

**NOW THEREFORE** the Corporation of the City of Kingston hereby enacts as follows:

1. Council hereby establishes the fees and charges as set out in Schedule A to this by-law for The Corporation of the City of Kingston (Kingston). The fees and charges will be subject to Provincial Sales Tax (PST) and Goods and services Tax (GST), where applicable.  
(By-law No. 2005-10; 2007-84)
2. (a) That That fees and charges shall be adjusted annually, on January 1, by the Consumer Price Core Index of the third quarter of the prior year plus 1% for capital purposes, where feasible.  
(By-law No. 2005-10; 2007-84; 2007-191)
- (b) That in those instances where the fee is not adjusted by the Consumer Price Index composite index in one year, the cumulative adjustment for past years may be made in future years, as approved by council.  
(By-law No. 2005-10; 2007-84)
- (c) Deleted by By-law No. 2010-10)
3. Despite paragraphs 2(a) and (b), fees and charges may be adjusted, as approved by council, to recover at a minimum, respective service, administration and capital costs, as well as costs for any other purpose in any amount permitted under applicable law.  
(By-law No. 2005-10; 2007-84)
- 4(a) That any portion of a fee or charge that remains unpaid beyond the date fixed for payment shall bear interest at the rate of 1.25% (15% per annum) after thirty (30) days and each month thereafter until such fee or charge is paid in full.  
(By-law No. 2005-10; 2009-10)

**City of Kingston By-law No. 2005-10 "RATES & FEES"**

4(b) That Kingston may use a registered collection agency to collect any unpaid fee or charge, including interest charged pursuant to section 4 and the collection agency's fees, as approved by Kingston, shall be added to the unpaid amounts to become the total amount payable to the collection agency.

(By-law No. 2005-10; 2009-10)

5. That the treasurer shall add unpaid fees and charges imposed by the municipality to the tax roll for the following property in the City of Kingston and collect them in the same manner as municipal taxes:

- a. In the case of fees and charges for the supply of a public utility, the property to which the public utility was supplied.
- b. In all other cases, any property for which all of the owners are responsible for paying the fees and charges.

(By-law No. 2005-10; 2007-84)

6. That where this by-law established a fee and charge for a fee that also exists in another by-law that predates the effective date of this by-law, the fee and charge in this by-law shall be the applicable fee and charge and the other by-law is hereby effectively amended.

(By-law No. 2005-10; 2007-84)

7. In the event that by-law 2005-10, as amended, is repealed and re-enacted or amended in its entirety, it shall be assigned the same by-law number, due to the fact this by-law is mentioned in several other related by-laws.

(By-law No. 2005-10; 2007-84)

8. Should any part of this by-law, including any part of any schedule, be determined by a court of competent jurisdiction to be invalid or of no force and effect, it is council's intention that such invalid part of this by-law shall be severable and that the remainder of this by-law including the remainder of the impugned schedule, as applicable, shall continue to operate and to be in force and effect.
