

LASALLE CAUSEWAY LANE RESTRICTIONS

OVERNIGHT LANE RESTRICTIONS ON THE LASALLE CAUSEWAY
NOVEMBER 2009 – MAY 2010

Public Works and Government Services Canada (PWGSC) wishes to advise all local residents that vehicular traffic will experience overnight lane restrictions and occasional road closures on the LaSalle Causeway Bascule Lift Bridge in Kingston, Ontario, from Nov. 1, 2009 to May 7, 2010.

Lane restrictions and road closures will allow for structural repair and repainting work to be performed. Road closures will be announced in advance.

Safety is a top priority for PWGSC and we are committed to ensuring the continued integrity of the bridges we manage. We apologize for any inconvenience this closure may cause and thank everyone for their understanding.

COMMENT ON COMMUNITY GARDEN POLICY

The City of Kingston is looking for feedback on a draft Community Garden Policy that will guide the development and operation of community gardens.

Entrenched in the proposed policy is municipal recognition that community gardening is "a valuable activity that contributes to sustainable urban living, community development, health and well-being, positive social interactions, environmental education, protection and use of open space, and enhanced food security."

The draft Policy:

- offers site selection, plot development and construction guidelines;
- outlines the role of a City Community Gardens Coordinator;
- specifically defines the City's commitment to Community Gardening.

The Policy is meant to structure collaborations between the City and non-profit groups and neighbourhood associations to fruitfully develop, operate and manage community gardens on municipally-owned lands.

Comments on the draft Policy will be accepted via a Your Opinion survey at www.cityofkingston.ca/communitygarden by Jan. 7. Or, to receive a hard copy of the draft Policy, please call Liz Cartwright at 613-546-4291, ext. 1308 or e-mail lcartwright@cityofkingston.ca.
