OVERNIGHT LANE RESTRICTIONS ON THE LASALLE CAUSEWAY  
NOVEMBER 2009 – MAY 2010

Public Works and Government Services Canada (PWGSC) wishes to advise all local residents that vehicular traffic will experience overnight lane restrictions and occasional road closures on the LaSalle Causeway Bascule Lift Bridge in Kingston, Ontario, from Nov. 1, 2009 to May 7, 2010.

Lane restrictions and road closures will allow for structural repair and repainting work to be performed. Road closures will be announced in advance.

Safety is a top priority for PWGSC and we are committed to ensuring the continued integrity of the bridges we manage. We apologize for any inconvenience this closure may cause and thank everyone for their understanding.
