GRAND THEATRE ACCESSIBILITY UPGRADE

Accessibility-upgrade work begins at Grand Theatre

The Grand Theatre is being upgraded to improve its accessibility for the enjoyment of all Kingstonians. The renovations will meet the Facility Accessibility Guidelines implemented by the City of Kingston in September 2009.

Improvements will be made to flooring, counters, washrooms, lifts, lighting and other identified areas. For a complete list of the upgrades please visit

www.kingstongrand.ca/facilities/renovations. Members of the Municipal Accessibility Advisory Committee will continue to be involved in this project throughout construction. Construction will be complete by Sept. 3.

The **box office remains open** Monday to Friday, noon to 5 p.m. Tickets will be available in person or over the phone at 613-530-2050 during business hours.

Please visit www.kingstongrand.ca/facilities/renovations or www.cityofkingston.ca/grand for updates on any challenges to accessing the Grand Theatre Box Office during construction.

BARRIEFIELD FEASIBILITY STUDY

A Public Information Centre (PIC) for the Consultancy on Potential Acquisition of Federal Surplus Land in Barriefield Village is scheduled for Tuesday, July 6 from 6 to 8:30 p.m. at J.E. Horton Public School, 411 Wellington St. The purpose of the PIC is to introduce the consulting team to the community and to provide an overview of the schedule and planning process related to the Barriefield Feasibility Study.

A brief walking tour of the village will begin shortly after 6 p.m. – and continuing every 20 minutes – hosted by Wendy Shearer, heritage consultant. The purpose of the walking tour is to view the Department of National Defence surplus lands in the context of Barriefield Village. Following the tour, the consultants will be available to answer questions and provide additional information on the planning process.

Please note that no decisions or development options will be presented at the PIC.

A Your Opinion comment opportunity on this issue has been set up at www.cityofkingston.ca/barriefieldhousing and input will be accepted until July 30.

The public is invited to attend and provide input on this important project. A public meeting has also been scheduled on Monday, Aug. 9 at Memorial Hall from 6 p.m. to 9 p.m. For more information on the project, please contact one of the following individuals:

WELCOME HOME GASKIN LION

The restored Gaskin Lion and a commemorative plaque will be unveiled at 1 p.m. on Friday in Macdonald Park (at the foot of Barrie Street).

The Ukrainian Canadian Club of Kingston and the League of Ukrainian Canadians in Kingston covered the cost of the iron lion's restoration by MST Bronze Ltd. as a way of marking the 100th anniversary of Ukrainian settlement in Kingston. The Ukrainian Canadian Club, City Councillors and City staff will be on hand for the official unveiling.

Kingston Whig-Standard Editor Steve Serviss will be there to announce the winners of the Gaskin Lion photo search contest, which encouraged Kingstonians and visitors to submit photos of themselves taken with the beloved Gaskin Lion.

PUBLIC MEETING: BACKYARD HENS

The Arts, Recreation, and Community Policies Standing Committee (ARC) will be hosting a public meeting in order to receive public input about backyard hens in urban areas.

Wednesday, July 21 at Portsmouth Olympic Harbour, 53 Yonge St.

Public input regarding backyard hens will be received at 6 p.m.
(The ARC meetings will begin at 5 p.m. for regular business.)

Written submissions are also encouraged and will be received at the beginning of the meetings.

A Your Opinion poll and comment opportunity is available at www.cityofkingston.ca/backyardhens. Comments and concerns can also be emailed to Kim Leonard, Manager of Building and Licensing at kleonard@cityofkingston.ca or faxed to 613-546-1332. Comments will be received until July 24.

Following consideration of public comments, staff will be reporting back to ARC in August. Further information is posted on the City's website at www.cityofkingston.ca/meetings. Please check the website before attending the meetings in regards to any updates.

For further information regarding the meetings, contact Susan Powley, Committee Clerk, 613-546-4291, ext. 1204 or spowley@cityofkingston.ca.

Collection of Information: Personal information, as defined by the Municipal Freedom of Information and Protection of Privacy Act (MFIPPA) – including (but not limited to) names, addresses, opinions and comments – is collected under the authority of the Municipal Act, 2001, and in accordance with MFIPPA and all other relevant legislation. All personal information may form parts of reports, meeting agendas and minutes, and therefore will be made available to members of the public at meetings, through requests, and through the website of the Corporation of the City of Kingston. Questions regarding the collection, use and disclosure of this personal information may be directed to the Corporate Records and Information Officer, City Clerk's Department, 216 Ontario Street, Kingston, Ontario, K7L 2Z3.

TENDER

CONTRACT NO. UK-10-12
Enabling Works – 701 Division St.

Sealed Tenders plainly marked as to contents will be received (must be in the City's possession by Tender closing time) by the City Clerk, City Hall, 216 Ontario St., Kingston, Ontario prior to 3:00:00 p.m. local time on:

JULY 28, 2010.

The work includes, but is not limited to, parking lot grading and asphalt surfacing; site drainage; site lighting and electrical distribution

Tender documents can be picked up at the office of the Design Engineer, JL Richards & Associates Limited, 203-863 Princess Street, Kingston, Ontario. A \$25 (plus applicable taxes) non-refundable payment will be required for each tender set, payable to Utilities Kingston.

Inquiries regarding the scope of work may be directed to Brian Davies, P.Eng, JL Richards & Associates Limited, (613) 728-3571.

The lowest or any bid not necessarily accepted.

If you are a person with a disability and need accessibility information about a City of Kingston service or facility – or, if you require information in another format – please contact 613-546-0000 weekdays between 8 a.m. to 5 p.m. or e-mail contactus@cityofkingston.ca.

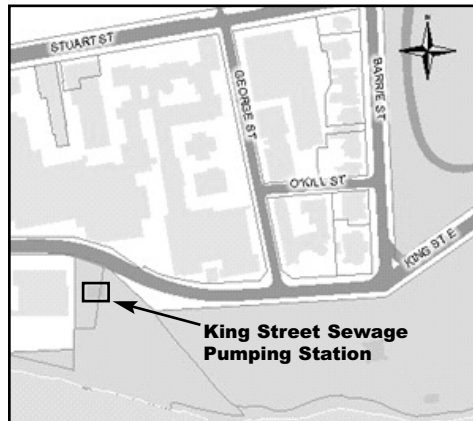

NOTICE OF PROJECT IMPLEMENTATION

Upgrades at the King Street Sewage Pumping Station

Upgrades are planned at the King St. Sewage Pumping Station located at 62 King St. West. The purpose of the upgrades is to improve station operation as well as the addition of floatables control on combined sewer overflows.

The works will include:

- Upgrades to station headworks which may include some building modifications.
- Improvement of existing pump cooling system.
- Installation of floatables control measures on combined sewer overflows as well as monitoring for flow and quality.
- Repair of flushing gate system in CSO tank.
- Interior building improvements.

The proposed project is being undertaken by Utilities Kingston, and is subject to the Municipal Class Environmental Assessment, 2007 (Class EA) planning process as it applies to municipal sewage projects. The upgrades at the King St. Sewage Pumping Station are being planned as a Schedule A+ Class EA activity and are pre-approved. Public notice of project implementation is being provided in accordance with Class EA requirements.

For more information on this project, please contact:

NOTICE OF PROJECT IMPLEMENTATION

Upgrades at the River Street Sewage Pumping Station

Upgrades are planned at the River Street Sewage Pumping Station located at 8 River St. The purpose of the upgrades is to improve station operation as well as to reduce odour and corrosion issues in the downstream sewer.

The works will include:

- Installation of a new screening system and modifications to the existing grit removal system.
- Review and implementation of hydrogen peroxide injection for odour and corrosion control for the downstream sewer.
- Building improvements including: exterior brickwork, replacement of windows and doors, necessary upgrades to building HVAC system.

The proposed project is being undertaken by Utilities Kingston, and is subject to the Municipal Class Environmental Assessment, 2007 (Class EA) planning process as it applies to municipal sewage projects. The upgrades at the River St. Sewage Pumping Station are being planned as a Schedule A+ Class EA activity and are pre-approved. Public notice of project implementation is being provided in accordance with Class EA requirements.
