KINGSTON PUBLIC MARKET

Providing fresh local produce to Kingstonians since 1801.

Fresh this week!

Peaches. Tomatoes. Blueberries. Corn. Apples. Many different varieties of beans, cucumbers, zucchini, swiss chard (the summertime spinach), cantaloupe, and the garlic has been cured and is braided ready for storage.

Come down to see us every Tuesday, Thursday and Saturday at Springer Market Square – behind City Hall in downtown Kingston.

Did you know ... that this season Mother Nature has contrived to create such favourable growing conditions that we already have spaghetti squash and vegetable marrow already at the market. That is early!

GRAND THEATRE ACCESSIBILITY UPGRADE

The Grand Theatre is being upgraded to improve its accessibility for the enjoyment of all Kingstonians. The renovations will meet the Facility Accessibility Guidelines implemented by the City of Kingston in September 2009.

Improvements are being made to flooring, counters, washrooms, lifts, lighting and other identified areas. For a complete list of the upgrades visit www.kingstongrand.ca/facilities/renovations. Members of the Municipal Accessibility Advisory Committee will continue to be involved in this project throughout construction. Construction will be complete by Sept. 3.

Princess Street will be reduced to one lane in front of the Grand Theatre until Aug. 19 at 4:30 p.m. while crews install an underground service connection. The sidewalk abutting the Grand Theatre will also be closed during part of this time period. Access to the front entrance of the Grand Theatre will be maintained during regular business hours.

To purchase tickets, a Box Office sales representative may be reached by entering the Administration door to the left of the main theatre doors while the Box Office ticket counter is being made accessible. Patrons normally requiring wheelchair access are asked to call 613-530-2050 and a representative will be happy to assist you with your order, answer questions and arrange for ticket delivery.

Please visit www.kingstongrand.ca/facilities/renovations or www.cityofkingston.ca/grand for updates on any challenges to accessing the Grand Theatre Box Office during construction.
