KINGSTON PUBLIC MARKET

Providing fresh local produce to Kingstonians since 1801.

Fare on the Square is almost here.

It's a Feast from the Fields. Come down to the market behind City Hall from 10:30 a.m. to 3 p.m. on Sept. 4. Twelve restaurants will be serving foods created with ingredients right from the market. Enjoy our corn roast, tomato tasting, cooking demos and much more.

Did you know that several farmers at the market offer farm visits to their customers so that you can see where your vegetables are from and how they are grown?

GRAND THEATRE ACCESSIBILITY UPGRADE

The Grand Theatre is being upgraded to improve its accessibility for the enjoyment of all Kingstonians. The renovations will meet the Facility Accessibility Guidelines implemented by the City of Kingston in September 2009.

Improvements are being made to flooring, counters, washrooms, lifts, lighting and other identified areas. For a complete list of the upgrades visit www.kingstongrand.ca/facilities/renovations.

Members of the Municipal Accessibility Advisory Committee will continue to be involved in this project throughout construction. Construction will be complete by Sept. 7. The Box Office can now be accessed by the main doors.

Please visit www.kingstongrand.ca/facilities/renovations or www.cityofkingston.ca/grand for updates on any challenges to accessing the Grand Theatre Box Office during construction.

PUBLIC MEETING

Affordable housing on Leroy Grant Park subject of public meeting

The City wants public input as it considers declaring Leroy Grant Park surplus to allow affordable housing to be developed on the site, which has been vacant for the last decade. A public meeting to gather input is set for:

6:30 p.m., Wednesday, Sept. 15
Community Room at the Calvin Park Library, 88 Wright Cres.

Leroy Grant Park is located at the upper end of Leroy Grant Drive, close to amenities such as the Kingston Centre, other businesses at Princess and Concession Streets and a Kingston Transit hub. It has been identified by the City as an attractive location on which to build affordable housing.

In order to dispose of the parkland and consider building housing on the Park site, the City needs to declare the land surplus. This public consultation meeting is being held as required by Kingston's Official Plan.

Plan to get there by bus: 'Get Directions' through the transit icon at maps.google.ca or go to www.cityofkingston.ca/tripplanner

PUBLIC INFORMATION CENTRE (OPEN HOUSE)

CANA WASTEWATER TREATMENT PLANT SCHEDULE C CLASS ENVIRONMENTAL ASSESSMENT UTILITIES KINGSTON

Study Background:

Utilities Kingston is undertaking a Municipal Class Environmental Assessment (Class EA) to evaluate options for the management (i.e. collection, conveyance, and treatment) of sewage from the 32-home Cana community. The location of the existing plant is shown in the figure below. The study is being conducted according to the Municipal Class EA process, and is currently considered a Schedule C undertaking. The treatment capacity of the plant is not being increased as part of this project.

The EA has been implemented to address the infrastructure in the Cana community, since the existing facility and collection system are aging and in need of repair. The existing sewage collection system has been in operation for approximately 50 years and preliminary investigations have revealed that improvements are required. The Cana WWTP was commissioned in 1973 and has not been substantially improved since that time. Given that effluent quality requirements have become increasingly stringent, and that the existing plant is in need of repair, this Class EA will seek to provide recommendations for what form improvements to the system should take.

Study Process:

The EA is proceeding as a Schedule C undertaking in accordance with the requirements of the Ontario Municipal Class EA. It will involve an assessment of the potential positive or negative social, cultural, economic, and environmental impacts of a number of options.

Public Consultation:

Public and agency consultation is a key element throughout the Class EA process. You are invited to attend an Open House to review information about the study, learn more about the Class EA process, provide your feedback, and meet the project team. Please drop in any time during the Open House to learn more about the project.

Date: Tuesday, Aug. 31, 2010

Time: 6 – 8 p.m.

Place: Meadowcrest Community Centre,
360 Kingston Mills Road, Kingston, ON
