Re: Skate Rental Provider @ Springer Market Square Rink

Dear Jessica,

It was a pleasure speaking with you earlier this morning. I am writing this letter as a follow up to our recent discussion. I would like to discuss with you and the other individuals sometime shortly the possibility of becoming

The City of Kingstons **skate rental and sharpening** provider at Springer Market Square.

I have extensive experience in similar corporate and retail environments, namely Nathan Phillips Square and Mel Lastman Square and am confident I can provide you with exceptional quality, a meticulous work environment, and unflinching follow-up and service to endure local and tourist activity at the Square. This would also greatly increase the service and enjoyment to thousands of patrons that currently either attend or would like to attend the ice surface and Square.

In business for over twenty years, City Hall Skate Rentals Inc., has assembled a management team of specialists with a total combined experience base of more than fifty years providing advanced customer service to the commercial, corporate, individual, and youth markets. With an intense focus on delivering the safest and most respectful service to a select and discriminating customer base, City Hall Skate Rentals has carefully managed its growth to ensure consistently high quality and continued improvement in the value of our services.

We would be delighted to have the opportunity to work with The City of Kingston for your upcoming skating season, and would commit ourselves to a smoothly executed, highly successful Kingston enterprise.

Thank-you in advance for the opportunity to present my suggestions and opportunity.

Sincerely,  
Howard Teperman
