d) Correspondence from the Town of Atikokan Request for support of resolution regarding inclusion of Utility Vehicles [UTVs] in the Off-Roads Vehicle Act

(See Pages 14 – 15)

The following resolution was passed by the Council of the Town of Atikokan at its meeting held June 14th, 2010:

WHEREAS Utility Vehicles [UTVs] are currently not of a prescribed class of vehicle to be allowed on provincial and municipal highways; and,

WHEREAS the Provincial Government through their vehicle licensing program recognizes UTVs as an All-Terrain Vehicle [ATV]; and,

WHEREAS manufacturers and retailers continue to build and sell UTVs; and,

WHEREAS there are further economic benefits in the tourism industry to develop ATV and UTV trails; and,

WHEREAS a thorough review of the Off-Roads Vehicle Act in conjunction with the Highway Traffic Act has not taken place to consider expanding UTVs as an allowable vehicle on provincial and municipal highways:

NOW THEREFORE BE IT RESOLVED THAT the Council of the Town of Atikokan requests the Minister of Transportation to give a directive for a thorough review of the Off-Roads Vehicle Act to include UTVs in the Off-Roads Vehicle Act; and,

FURTHER BE IT RESOLVED THAT this resolution be forwarded to the Minister of Transportation and to Bill Mauro, M.P.P. Thunder Bay-Atikokan, and all Ontario municipalities for further support.

8. MOTIONS

Moved by: Councillor Matheson

Seconded by: Councillor Hutchison

WHEREAS the importance of continuing to develop the City's multi-purpose recreational trail system was identified in the Transportation Master Plan and these trails will contribute to Kingston's approved vision of being Canada's most sustainable city, and

WHEREAS a trail along the west side of the Greater Cataraqui River is partially mapped in Schedule 5, Pathways, in Kingston's Official Plan, and

WHEREAS the current widening of Highway 401 may provide an opportunity to include a multi-purpose trail under the highway, and

WHEREAS a group of enthusiastic citizens has been exploring possible trail routes,

THEREFORE BE IT RESOLVED THAT staff work with these citizens and others, as required, to determine a preferred trail route, and

BE IT FURTHER RESOLVED THAT staff include in the 2011 capital budget a general estimate of the costs and a construction timeline for completing a multi-purpose trail from the Lasalle Causeway to Kingston Mills Road on the west side of the Greater Cataraqui River.
