MEMORIAL HALL, CITY HALL

KINGSTON MUNICIPAL HERITAGE COMMITTEE

Re: Recognition of the 50th Anniversary of Kingston Heritage

This year the Kingston Municipal Heritage Committee celebrates a number of anniversaries. We will be celebrating the 50th anniversary of there being a Heritage Committee in Kingston, the 33rd anniversary of the proclaiming of the 1975 Ontario Heritage Act in Memorial Hall, Bob Cardwell's receiving the Lieutenant Governor's Ontario Heritage Award for outstanding achievements to preserve, protect and promote Ontario's heritage - and a couple of other achievements which we will announce in November!

Following our regular monthly meeting, we will be hosting an informal reception in Memorial Hall at 3 o'clock p.m. on Monday 03rd November. We hope you will be able to be with us. We are inviting members of the Committees of Architectural Review and the first LACACs as well as past Mayors, Reeves and others who have been involved in Kingston Heritage.

We look forward to meeting with those who have been committed to upholding Kingston Heritage and hope that you will bring stories, reminiscences, photographs and souvenirs to share.
