OPTIONS/DISCUSSION:

Skate Canada is hosting one of six international figure skating competitions in the annual ISU Grand Prix of Figure Skating series in October 2010 at the K-ROCK Centre. The event will take place over four days beginning October 28 and concluding with a Gala Exhibition on October 31.

Skate Canada has requested 50 complimentary daily parking passes for the duration of the event. The passes will be provided to Skate Canada officials, ISU judges, International Federation dignitaries, event management, and some of the competitors. None of these passes are for distribution to event attendees.

Parking services has confirmed that temporary passes could be issued for the Frontenac Lot across from the K-ROCK Centre. The total estimated lost parking revenues to provide the temporary passes would be \$2,850. The additional parking revenues generated by this event will more than offset the estimated lost revenue of \$2,850.

EXISTING POLICY/BY LAW:

By-Law No. 4489 - "A By-Law to Regulate, Supervise and Govern the Parking of Vehicles on Parking Lots and to Fix the Rates and Charges for Parking on Such Lots"

NOTICE PROVISIONS: N/A

ACCESSIBILITY CONSIDERATIONS: N/A

FINANCIAL CONSIDERATIONS:

For metered space rental at the Frontenac Lot, there would normally be a daytime charge plus an event parking charge (on event days). This is calculated as follows:

Daytime Parking	\$8.00 per day x 50 spots = \$400 per day 4 days = \$1,600 (Sundays would only have the event rate)
Event Parking	\$5.00 per day x 50 = \$250 per day 5 days (including Sunday) = \$1,250
Total (Revenue Loss)	\$2,850 including HST
