GENERAL CONDITIONS:

1. Any person or persons intending to occupy or perform work on City of Kingston property, must first apply to the Engineering Department for a Temporary Encroachment Permit.
2. **Traffic Control:** Traffic Signing will be in accordance with **Book 7 of the Ontario Traffic Manual - Temporary Conditions**. Access for emergency vehicles **MUST** be maintained at all times.
3. All barricades, signs, signals, traffic control person(s), traffic control devices, detour design and signing shall meet **Book 7 of the Ontario Traffic Manual - Temporary Conditions** requirements and shall be the sole responsibility of the applicant.
4. The applicant assumes all maintenance and liability for temporary repairs until such time as permanent repairs are completed for the work described herein.
5. The applicant, pursuant to the By-Law shall have the permit available at the times during which work is in progress.
6. The permit becomes null and void if the applicant should fail to meet the requirements of the permit, in which case, the Director of Engineering or his designate shall take action he deems necessary to reinstate the site for public protection at the expense of the applicant.
7. The applicant shall maintain access to all public and private properties for the duration of the work.
8. When unforeseen circumstances require an extension of the permit or a change in any of the conditions under which the permit was issued, the holder of the permit shall apply for such change at least 24 hours in advance.
9. It shall be the applicant's responsibility to request marking or other location information to determine the location and provide safeguards for all utilities, both public and private, in accordance with current regulations.
10. All damaged, disruption or removal of existing works such as curb, sidewalk etc. as described in the permit, and damages related to the work activity shall be reinstated by the applicant to current City of Kingston Standards.
11. All road surfaces and sidewalks shall be kept clear of obstructions and debris, to avoid hazard and inconvenience to the public.
12. The applicant must ensure that storage bins placed on City property are secured, have reflective attachments to ensure visibility at night, and have warning signs to ensure that the public does not enter or remove items from the bin.
13. The applicant must obtain the necessary approvals from all the appropriate authorities that will be impacted by this application.
14. The applicant or any other party engaged in any work authorized shall conform to all due safety precautions for the protection of persons and property.
15. This Permit is issued pursuant to all City By-Laws.
