Transit charter Bus Service - Rural areas need a bus once a week, at least. City buses, I feel there are too many. I've seen people in rural areas having to hitch hike. This is really dangerous.

Lake Ontario Park Campground - I think Lake Ontario Park would be a great place for low income people to lease and live there in small cottages. The housing crisis needs to be addressed. Why not buy 2 or 3 apartments in every apartment building? The subsidized rent would pay for them eventually. Also, why not have a complete government take over of housing and subsidize all apartments, or get rid of the too many by-laws regarding size of houses, etc.

City Property - Please let the people stay in the Tett Centre. I feel, we need to preserve our beautiful heritage buildings.
