

BE SEEN.

STAY OUT OF THE WAY OF SNOW PLOWS

Can the snow plow driver see you?

Assume the snow plow driver has NOT seen you.

If you see a snow plow, move off the sidewalk and into a yard where you can be seen.

Do NOT play on, or make forts or tunnels in roadside snow banks.

NEVER approach a snow plow, even when it has stopped.

Drivers:

Stay three car-lengths behind a snow plow to allow for a safe stopping distance.

NEVER cut off a snow plow.

**IT'S A SNOW PLOW.
IT'S HARD TO DRIVE.
IT'S BIGGER THAN YOU ARE.
GET OUT OF ITS WAY.**
