AND THAT the amending by-law be presented to City Council for all three readings. (See By-Law No. (6), 2010-89)
(Note: A copy of the draft by-law is attached as Schedule Pages 88-89)

4. City of Kingston Archaeological Master Plan

1) THAT the report entitled “The City of Kingston Archaeological Master Plan” dated February 2010 and prepared by Archaeological Services Inc. in association with Bray Heritage, attached as Exhibit ‘A’ and ‘B’ to Report PC-10-041, be received in fulfillment of the terms of reference for the City of Kingston Archaeological Master Plan project (RFP No. CDS-C&R-2006-08.)

2) THAT all of the recommendations of The City of Kingston Archaeological Master Plan be adopted:

   • THAT the policies attached as Appendix A to the report as presented at the April 15, 2010, Planning Committee meeting be incorporated into the Official Plan.

   • THAT the archaeological potential and Archaeologically Sensitive Area (ASA) mapping be used in determining requirements for archaeological assessments.

   • THAT the Planning and Development Department work with City departments to establish protocols that ensure that in all appropriate circumstances, construction projects undertaken by developers, ratepayers and the City of Kingston that may impact archaeological resources on public lands (e.g. trail, playground, playing field, public washroom, parking lot construction, road widening/extension, trunk sewer and watermain construction, stormwater management facility construction, municipal building and structure construction, etc.) and which are located in areas of archaeological potential or areas identified as being archaeologically sensitive, are subject to archaeological assessment prior to any land disturbing activity.

   • THAT when there are any new designations of heritage properties (which include constructions dating before 1920) under Part IV of the Ontario Heritage Act, that the property footprint be added to the final potential mapping (Appendix B). If the newly designated property is surrounded by greenfields, the newly designated property should be buffered by 100 metres for archaeological potential.

   • No Stage 4 archaeological investigations on Aboriginal sites should be undertaken within the City of Kingston without first filing a First Nations consultation report with the Planning and Development Department.

   • Archaeological assessment reports should contain advisories on the steps to be taken should unanticipated deeply buried archaeological remains or human remains be found on a property during construction activities.
REPORT NO. 65 OF THE PLANNING COMMITTEE

- In order to ensure the long term viability of the Archaeological Master Plan, it should be subject to comprehensive review on a five year basis and should be carried out by a licensed archaeologist in co-ordination with the five year review of the City's Official Plan.

- Procedures outlined in the Memorandum of Understanding between the Ministry of Tourism and Culture and the City of Kingston should be followed regarding the sharing of information concerning archaeological site locations.

- **THAT** the City develop and adopt, in consultation with the Ministry of Tourism and Culture, relevant Aboriginal communities, other agencies, landowners, and the public, a “Contingency Plan for the Protection of Archaeological Resources in Urgent Situations.”

- The City of Kingston should implement a public awareness initiative by which the general public might be made more knowledgeable of the wide range of archaeological resources present within the City,

- The City of Kingston should consider preparing both an accurate and comprehensive inventory of the archaeological collections currently held by museums and consulting archaeologists and a guideline encouraging the curation of material from archaeological sites within Kingston at local museums.

(See By-Law No. (2), 2010-85)
(Note: A copy of the draft by-law is attached as Schedule Page 90)

5. Application for Official Plan Amendment and Zoning By-Law Amendment for the Property Located at 1371 Spooner Road

REPORT NO. 67 OF THE KINGSTON MUNICIPAL HERITAGE COMMITTEE (LACAC)

Report No. 67

To the Mayor and Members of Council:
The Kingston Municipal Heritage Committee (LACAC) reports and recommends as follows:

All items listed on the Kingston Municipal Heritage Committee Report shall be the subject of one motion. Any member may ask for any item(s) included in the Committee Report to be separated from that motion, whereupon the Report of the Committee without the separated item(s) shall be put and the separated item(s) shall be considered immediately thereafter.

Note: Clauses 1 and 2 appeared as Clauses 2 and 3 of Report No. 11 of the Kingston Municipal Heritage Committee (LACAC) on the agenda for the Council meeting held on December 15, 2009, and were deferred until Council made a decision on the proposed Barriefield affordable housing project. Council has provided direction with regard to Barriefield and therefore these motions are being brought forward. The items then appeared as Clauses 14 and 15 of Report No. 52 on the agenda for the Council meeting held on April 6, 2010, and were deferred to this agenda for consideration. All items on this report appeared as Report No. 59 on the agenda for the Council meeting held on April 20, 2010, and were deferred due to lack of time.

1. Request for Staff Review of Current Zoning with respect to Natural and Cultural Heritage for Department of National Defence Land in Barriefield Village

   WHEREAS the Barriefield Heritage Conservation District Plan has not been reviewed since 1992;

   THEREFORE BE IT RESOLVED THAT the Heritage Committee recommend to Council that staff be directed to review the zoning with respect to natural and cultural heritage on the Department of National Defence land in Barriefield;

   - and further -

   THAT should it be deemed desirable to amend the current zoning, that the process for doing so also be examined;

   - and further -

   THAT staff report back to the March meeting of the Heritage Committee on the zoning and Heritage District Plan recommendation;

   - and further -

   THAT the Planning Committee be advised of this direction to staff.

2. Updating the Barriefield Heritage Conservation District Plan

   WHEREAS the Ontario Heritage Act requires Heritage Conservation District Plans to be updated; and,

   WHEREAS a review of the Barriefield Heritage Conservation District Plan has been scheduled for 2011; and,

   WHEREAS the Barriefield Heritage Conservation District has changed significantly since the previous review in 1992;

   THEREFORE BE IT RESOLVED THAT the Kingston Municipal Heritage Committee request that Council give consideration to the urgency of updating the Barriefield Heritage Conservation District Plan.
3. **Update to the Designation By-Law for Newcourt House (889 King Street West)**

   **WHEREAS** Section 29 of the Ontario Heritage Act, R.S.O. 1990, Chapter 0.18 authorizes the Council of a municipality to enact by-laws to designate real property, including all buildings and structures thereon, to be of cultural heritage value or interest; and,

   **WHEREAS** the Ontario Heritage Act requires the Council of a municipality to service Notice of Intention to Designate a property as having cultural heritage value and interest; and,

   **WHEREAS** when the Council of a municipality has appointed a Municipal Heritage Committee, the Council shall, before giving notice of its intention to designate a property, consult with its Municipal Heritage Committee; and,

   **WHEREAS** the Kingston Municipal Heritage Committee recommended to Council to serve Notice of Intention to Amend the Designation By-Law for Newcourt House under the Ontario Heritage Act on November 2, 2009; and,

REPORT NO. 68 OF THE MUNICIPAL ACCESSIBILITY ADVISORY COMMITTEE

Report No. 68

To the Mayor and Members of Council:
The Municipal Accessibility Advisory Committee reports and recommends as follows:

Note: The following clause was deferred at the Council meeting held on August 4, 2009, and referred to staff for an appropriate interpretation on the declaration of all parallel transit as an essential service including implications to the City. It then appeared as Clause 4 of Report No. 53 on the agenda for the Council meeting held on April 6, 2010, and Clause 1 of Report No. 62 on the agenda for the Council meeting held on April 20, 2010, and was deferred due to lack of time.
(See Information Report No. (6), Page No. 30)

1. Approval of Motion Regarding Declaration of Parallel Transit as Essential Service

WHEREAS the Municipal Accessibility Advisory Committee (MAAC) recommends solutions to deal with the provision of goods and services as defined within the City Municipal Accessibility Advisory Committee mandate; and,

WHEREAS the City of Kingston has publicly committed to accessibility for all its citizens; and,

WHEREAS the City of Kingston operates Kingston Transit buses for its residents; and,

WHEREAS Kingston Access Services operates buses as a parallel transit to Kingston Transit for disabled residents; and,

WHEREAS the Access Bus is the only option for transportation for most people with disabilities; and,

WHEREAS accessibility to parallel transit was denied to citizens during the recent access bus strike;

THEREFORE BE IT RESOLVED THAT the Municipal Accessibility Advisory Committee (MAAC) request that City Council approve the following motion, and that a copy of the following motion be forwarded to the Premier Dalton McGuinty, Hon. John Gerretsen, M.P.P. for Kingston and the Islands, Association of Municipalities of Ontario (AMO) and all municipalities with a population of over 50,000, requesting that they also request the Provincial Government to declare all parallel transit an essential service:

WHEREAS the Access Bus is the only option for transportation for most people with disabilities; and,

WHEREAS accessibility to parallel transit was denied to citizens during a recent access bus strike;

THEREFORE BE IT RESOLVED THAT City Council request the Provincial Government to declare all parallel transit an essential service.

(See Communication No. 13-226)
MOTIONS

Note: Motions (1) through (4) were deferred from the meeting held on April 20, 2010, due to lack of time.

(1) Moved by Councillor Smith
Seconded by Councillor Foster

WHEREAS the resolution that calls for Council members to be reimbursed for legal opinions of pecuniary interest was established in May of 1999; and,

WHEREAS this resolution has never been reviewed since its inception;

THEREFORE BE IT RESOLVED THAT Council direct staff to review the by-law to determine whether it is still appropriate or should be discontinued, or whether the current $1,000 limit per calendar year should be altered and whether other changes are necessary and bring back a report with recommendations to the Administrative Policies Committee by the last meeting in May, 2010.

(2) Moved by Councillor Gerretsen
Seconded by Councillor Glover

WHEREAS City Park is a landmark in Kingston's history; and,

WHEREAS in recent years more university students are living east of City Park; and,

WHEREAS pedestrian travel through City Park is necessary for all people living east of the park travelling to and from the University; and,

WHEREAS City Park is heavily used during the evening hours by many people; and,

WHEREAS serious concerns regarding proper lighting in City Park have been identified by members of the community; and,

WHEREAS the number of reports of assaults in this areas continues to be of concern; and,

WHEREAS the City of Kingston actively encourages the use of its park by all citizens; and,

WHEREAS Kingston City Council has received a petition requesting more lighting in City Park;

THEREFORE BE IT RESOLVED THAT staff be instructed to prepare a report outlining the costs associated with increasing the lighting in City Park specifically on the routes travelled by pedestrians;

- and further -

THAT this report be forwarded to Council for consideration in its 2011 Capital Budget.

(3) Moved by Councillor Glover
Seconded by Councillor Matheson

WHEREAS the Federation of Canadian Municipalities (FCM) represents the interests of municipalities on policy and program matters that fall within federal jurisdiction; and,

WHEREAS FCM's National Board of Directors is comprised of elected municipal officials from all regions and sizes of communities to form a broad base of support and provide FCM with the prestige required to carry the municipal message to the federal government; and,

WHEREAS the 73rd FCM Annual Conference is from May 28 to 31, 2010, during which the Annual General Meeting will be held and followed by the election of FCM's National Board of Directors; and,
WHEREAS FCM requires that every nominee for election to the board provide prior to 8 May 2010 a resolution of their council that authorizes them to stand, and states that the council is prepared to meet the cost of their attending meetings of the FCM’s National Board of Directors;

THEREFORE BE IT RESOLVED THAT Council of the City of Kingston endorse Councillor Dorothy Hector to stand for election on FCM’s National Board of Directors;

- and further -

THAT Council assume all costs associated with Councillor Dorothy Hector attending FCM’s National Board of Directors meetings.

(4) Moved by Councillor Glover
Seconded by Councillor Foster

WHEREAS in a unanimous decision on 15 April the Supreme Court of Canada clearly and unequivocally stated that the federal government and its Crown Corporations must pay for the services municipalities provide in the same way private owners pay;

THEREFORE BE IT RESOLVED THAT Kingston City Council urges the government of the Province of Ontario to follow this decision, with respect to all properties for which it makes payments in lieu of taxes;

- and further -

THAT a copy of this resolution be sent to John Gerrets en, MPP for Kingston and the Islands, and to all Ontario university towns that likewise receive the 1987 “heads and beds” payment.

(5) Moved by Councillor Schmolka
Seconded by Councillor Hutchison

WHEREAS the Report on Stage 1 of the Environmental Assessment of the Third Crossing of the Cataraqui River, dated April 9, 2010 is the foundational document upon which the next phase of the project is to be built and to which funders will turn to confirm the need for and location of the crossing; and,

WHEREAS the Report is not up-to-date in some aspects and contains some information that has been questioned for its accuracy; and,

WHEREAS the Aecon Report, a key report updating the figures in the 2004 Kingston Transportation Master Plan, was not made available to members of the public who asked to review the data to enable them to provide comment to the Council meeting on April 20, 2010;

THEREFORE BE IT RESOLVED THAT, before Council authorizes staff to proceed to Stage 2 of the Environmental Assessment, staff provide Council with information with respect to the following:

a) the correct number that should be used to determine the number of vehicles per hour (vph) that can be handled by a lane of traffic on the Lasalle Causeway;

b) a chart showing the most recent Annual Average Daily Traffic (AADT) counts for the LaSalle Causeway and the previous traffic counts done under past studies;

c) the capacity of Highway 401 once the 6-lane reconstruction work has been completed and the expected time frame for this capacity (see page 23 of the Stage 1 Report) and a clarification as to the secondary role of the 401 to handle local traffic;

d) the roadwork associated with the proposed location of the third crossing that will be necessary (for example, the widening of Highway 15) and possible local road effects, and the estimated costs;
MOTIONS (CONTINUED)

e) the traffic impacts on local roads, such as Montreal Street, Patrick Street, and Rideau Street, that will likely result from the proposed location of the third crossing;

f) the updated and correct transit ridership data (see page 27 of the Report);

g) a plausible calculation of carbon dioxide impacts that takes into account changes in vehicle travel patterns based on available information (see, e.g., the 2004 Dillon study) and likely changes in the fuels vehicles will be using in 2029 (see page 76 of the Stage 1 Report);

h) an analysis of which vehicles are likely to use the third crossing based on the existing points of departure and destination studies;

i) a prediction on the likely traffic volumes on the third crossing in the first year of its operation, based on the available data;

j) an update of section 4.1.2 Urban Growth and the other related sections of the Stage 1 Report to reflect the city’s new Official Plan which was approved by the provincial government in early 2010 and set an urban growth boundary which does not, at this time, provide for more development in Kingston east;

k) an update of section 4.1.3 Emergency Services and the other related sections of the Stage 1 Report to reflect the Fire Master Plan that was adopted by Council in April, 2010;

- and further -

THAT staff report on the roadway and traffic signal improvements that can be made in the short term to improve traffic flow on either side of the Lasalle Causeway, their costs, and the likely effect of these improvements on traffic patterns.
