PETITIONS

(1) A petition bearing approximately 26 signatures was presented by Councillor Glover and referred to the Commissioner of Sustainability and Growth and reads as follows:

   “Lily Inglis resided at 23 Sydenham Street in Kingston for more than 40 years. She made a substantial contribution to Kingston’s artistic and cultural life through her work as an architect, who designed significant buildings, such as the Kingston Frontenac Public Library on Brock Street. As an activist she took on a leadership role in advocating for issues as diverse as housing for the homeless and the restoration of the Newland’s Pavilion on the waterfront. Her life benefitted the Kingston community greatly.

   We, the undersigned, support the proposal to name the lane behind her house connecting Earl Street with West Street “Lily Lane” in her memory.”

   REFERRED TO THE COMMISSIONER OF SUSTAINABILITY AND GROWTH

WHEREAS in a unanimous decision on 15 April the Supreme Court of Canada clearly and unequivocally stated that the federal government and its Crown Corporations must pay for the services municipalities provide in the same way private owners pay;

THEREFORE BE IT RESOLVED THAT Kingston City Council urges the government of the Province of Ontario to follow this decision, with respect to all properties for which it makes payments in lieu of taxes, including “heads and beds”;

- and further -

THAT a copy of this resolution be sent to John Gerretsen, MPP for Kingston and the Islands, and to all Ontario university towns and hospital towns.

CARRIED (With Agreed To Amendments)

(4) Moved by Councillor Schmolka
Seconded by Councillor Hutchison

WHEREAS the Report on Stage 1 of the Environmental Assessment of the Third Crossing of the Cataraqui River, dated April 9, 2010 is the foundational document upon which the next phase of the project is to be built and to which funders will turn to confirm the need for and location of the crossing; and,

WHEREAS the Aecom Report, a key report updating the figures in the 2004 Kingston Transportation Master Plan, was not made available to members of the public who asked to review the data to enable them to provide comment to the Council meeting on April 20, 2010;

THEREFORE BE IT RESOLVED THAT, before Council authorizes staff to proceed to Stage 2 of the Environmental Assessment, staff provide Council with information at its July 2010 meeting with respect to the following:

a) the correct number that should be used to determine the number of vehicles per hour (vph) that can be handled by a lane of traffic on the Lasalle Causeway;

b) a chart showing the most recent Annual Average Daily Traffic (AADT) counts for the LaSalle Causeway and the previous traffic counts done under past studies;

c) the capacity of Highway 401 once the 6-lane reconstruction work has been completed and the expected time frame for this capacity (see page 23 of the Stage 1 Report) and a clarification as to the secondary role of the 401 to handle local traffic;

d) the roadwork associated with the proposed location of the third crossing that will be necessary (for example, the widening of Highway 15) and possible local road effects, and the estimated costs;

MOTIONS (CONTINUED)

e) the traffic impacts on local roads, such as Montreal Street, Patrick Street, and Rideau Street, that will likely result from the proposed location of the third crossing;

f) the updated and correct transit ridership data (see page 27 of the Report);

g) a plausible calculation of carbon dioxide impacts that takes into account changes in vehicle travel patterns based on available information (see, e.g., the 2004 Dillon study) and likely changes in the fuels vehicles will be using in 2029 (see page 76 of the Stage 1 Report);
h) an analysis of which vehicles are likely to use the third crossing based on the existing points of departure and destination studies;

i) a prediction on the likely traffic volumes on the third crossing in the first year of its operation, based on the available data;

j) an update of section 4.1.2 Urban Growth and the other related sections of the Stage 1 Report to reflect the city’s new Official Plan which was approved by the provincial government in early 2010 and set an urban growth boundary which does not, at this time, provide for more development in Kingston east;

k) an update of section 4.1.3 Emergency Services and the other related sections of the Stage 1 Report to reflect the Fire Master Plan that was adopted by Council in April, 2010;

- and further -

THAT staff report on the roadway and traffic signal improvements that can be made in the short term to improve traffic flow on either side of the Lasalle Causeway, their costs, and the likely effect of these improvements on traffic patterns.
