MOTIONS OF CONGRATULATIONS/CONDOLENCES/SPEEDY RECOVERY
Motions of Congratulations

(1) Moved by Councillor Hector
Seconded by Councillor Hutchison

THAT the congratulations of Kingston City Council be extended to Beth Israel Synagogue, which recently celebrated its 100th anniversary.

(2) Moved by Councillor Glover
Seconded by Councillor Smith

THAT Kingston City Council extends its warmest congratulations to Dr Mark Sirett, musical director of the Cantabile Choirs, for his award from the Association of Canadian Choral Communities for Outstanding Choral Composition. He wrote 'The Stars Point the Way' for the award-winning Cantilon Choirs of Edmonton under the direction of Heather Johnson. It will be aired on CBC's "Choral Concert" at a future date.

(3) Moved by Councillor Glover
Seconded by Councillor Hutchison

THAT Kingston City Council extends its warmest congratulations to all the members and volunteers of the Cantabile Choirs on the occasion of their being awarded the Outstanding Choral Event by the Association of Canadian Choral Communities for the opening concert of its current 2009-10 season, "Brown Eagle, Black Raven." In citing the award, the Association commended the Cantabile organization for its commitment to adventurous repertoire, innovative programming and high standard of performance and in particular, for the effort to educate both choristers and audience on world cultures.

(4) Moved by Councillor Matheson
Seconded by Councillor Garrison

THAT the congratulations of Kingston City Council be extended to the “Ride for Dad” organizers and participants for this year’s 2010 Ride for Dad, which took place this past Sunday, May 31st. This year’s motorcycle ride to help beat prostate cancer set records in both the number of participants, as well as the amount of money raised, of over $87,000 and counting. It was a fantastic day of camaraderie and a safe and fun time was had by all. The 10th Anniversary Cross Country “Ride for Dad Tour” begins in St. John’s, Newfoundland, August 1st, 2010, with the Kingston leg of this tour happening August 12th, 2010. The tour is scheduled to finish up August 29th in Horseshoe Bay, Nanaimo, Duncan, Victoria, and CFB Esquimalt. Congratulations to all supporters for helping with this worthwhile cause.

(5) Moved by Councillor Hector
Seconded by Councillor Glover

THAT the congratulations of Kingston City Council be extended to Councillor Leonore Foster for her hard work representing the City of Kingston at the Federation of Canadian Municipalities for the past four years. This past weekend at the annual general meeting Councillor Foster was recognized by her colleagues from across the country and thanked with a standing ovation for her work on the Board of Directors and committees.

MOTIONS OF CONGRATULATIONS/CONDOLENCES/SPEEDY RECOVERY (CONTINUED)

(6) Moved by Councillor Hector
Seconded by Councillor Matheson
THAT the congratulations of Kingston City Council be extended to Mr. Bob Trentadue, Chair of Town Homes Kingston, on his being awarded with the Gary Gilliam Award for Promoting Social Responsibility.

Motions of Condolence

(1) Moved by Councillor Matheson
Seconded by Councillor MacLeod-Kane

THAT the sincere condolences of Kingston City Council and the City of Kingston be passed on to the family and friends of Susan (Susie) Collier, who died suddenly on Tuesday May 25, 2010. Susie was a 10 year former employee of the City of Kingston who worked as a Parking Lot Attendant at the Chown Parking Lot.

(2) Moved by Mayor Rosen
Seconded by Councillor Smith

THAT the sincere condolences of Kingston City Council be extended to the family and friends of Glenn Williams. “G” as he is widely known in the Kingston community and surrounding region, passed away on May 31, 2010, after a courageous battle with ALS. “G” was a program director and an on-air personality of a local radio station. He was also an energetic and tireless supporter of countless local events, fundraising initiatives and charities. “G” clearly loved living, working and promoting our great city and he will be sorely missed. Kingston has lost a tremendous community ambassador.

(3) Moved by Councillor MacLeod-Kane
Seconded by Councillor Garrison

THAT the sincere condolences of Kingston City Council be extended to Patricia Burns, Director of Human Resources, and her family, on the recent death of her mother.

Motions of Speedy Recovery

(1) Moved by Councillor MacLeod-Kane
Seconded by Councillor Garrison

THAT the best wishes of Kingston City Council for a full and speedy recovery be extended to Cheryl Dickson, one of Kingston's farmers.

THAT the application for Draft Plan of Subdivision (File No. D12-052-2009) submitted by Macaulay Shiomi Howson Ltd., on behalf of Braebury Homes Corporation for the property municipally known as 2939 Creekford Road BE APPROVED, subject to the following conditions:

1. **Approved Draft Plan:**
   That this approval applies to the Draft Plan of Subdivision, prepared by Macaulay Shiomi Howson Ltd., dated April 15, 2010 which shows the following:
   - 3 residential lots (Lots 1-3);
   - 19 residential blocks (Blocks 4 - 22);
   - 2 blocks for future Development (Blocks 23 – 24);
   - 1 Block identified as Lands Owned by Applicant (Block 25)
   - 4 block(s) for 0.3 m reserves (Blocks 26 - 29); and

2. **Streets and Civic Addressing:**
   (a) That the road allowances included in this Plan shall be shown and dedicated as public highways.
   (b) That the road allowances within the Plan shall be designed in accordance with the Municipality’s engineering standards and shall be dedicated to the Municipality free of all charge and encumbrances. The streets, lots and blocks shall be designed to coincide with the development pattern on adjacent properties.
   (c) **That Prior to Final Approval**, the Owner shall submit proposed street names for approval by the Planning and Development Department and shall be included on the first submission of the engineering drawings. The Streets within this Plan shall be named to the satisfaction of the City, in consultation with the Planning and Development Department, in accordance with the City’s Civic Addressing and Road Naming By-law.
   (d) **That prior to Final Plan Approval**, the Owner shall provide confirmation that civic addresses have been assigned to the proposed lots and blocks by the City’s Planning and Development Department, in accordance with the City’s Civic Addressing and Road Naming By-Law. The Owner shall be advised that the civic addresses are tentative until such time that the final plan is registered and the final lot layout has been confirmed.

REPORTS (CONTINUED)
Report No. 81 of the Planning Committee
(e) For lots with more than one road frontage, the lots will be addressed on the road frontage on which primary vehicular access is situated. Prior to applying for a building permit the Owner shall confirm with the Planning and Development Department the appropriate road frontage where primary vehicular access is to be provided and shall confirm the approved civic address in order to comply with the City’s Civic Addressing and Road Naming By-Law and emergency response requirements.

(f) **That Prior to Final Plan Approval**, the Owner shall deed to the Municipality all Block(s) identified as daylighting triangles on the final Plan of Subdivision.

(g) That the Owner shall agree that the location and design of any **construction access** shall be approved by the Municipality and/or the appropriate authority.

(h) **That Prior to Final Subdivision Approval**, the Owner shall obtain the necessary easements and permission for access and maintenance to establish temporary turning circles on the abutting property.

3. **Reserves and Easements:**

(a) That any dead ends and open sides of the road allowances created by this Plan shall be terminated in 0.3 metre reserves to be conveyed to, and held in trust, by the Municipality.

(b) That such easements as may be required for utility or drainage purposes shall be granted to the appropriate authority free of all charges and encumbrances.

(c) That the Owner obtains temporary easements on adjacent landowner’s property for the proposed turnarounds and that the underground services be extended to the eastern limits of these temporary easements.

(d) A 0.3m reserve shall be provided at all open ends of Right of Ways and along the rear of the properties adjacent to Cataraqui Woods Drive.

4. **Financial Requirements:**

(a) That the Owner agrees in writing to satisfy all the requirements, financial and otherwise, of the Municipality concerning all provisions of municipal services but not limited to including fencing, lighting, landscaping, sidewalks, roads, installation of underground services, provisions of drainage and noise mitigation where required.

(b) **That Prior to Final Plan Approval**, the Owner shall submit for the Municipality’s approval a detailed breakdown of the construction costs for the works associated with the development of this Plan, including any cash surcharges or special levies. The construction costs shall be prepared and stamped by a professional engineer. The cost estimate shall be submitted in the Municipality’s standard format for incorporation into both the Pre-Servicing and Subdivision Agreements.

(c) That the Owner shall bear the expense of all off site works resulting from the approved public works design where such works are not subsidized under the Policies and By-Laws of the Municipality.

(d) That the Owner agrees to reimburse the Municipality for the cost of any Peer Reviews of the Studies / Reports submitted in support of the proposed Plan of Subdivision.

5. **Subdivision Agreement:**

(a) That the Owner shall enter into the Municipality’s standard Subdivision Agreement which shall list all approved plans and municipal conditions as required by the Municipality for the development of this Plan.

(b) The Subdivision Agreement between the Owner and the Municipality be registered against the lands to which it applies once the Plan of Subdivision has been registered.

**REPORTS (CONTINUED)**

Report No. 81 of the Planning Committee
(c) That the Subdivision Agreement shall contain all necessary warning clauses and notices to purchasers resulting from, but not necessarily restricted to, the design and provision of services, including the requirement to provide and maintain private site specific works as necessary.

6. Holding Provisions:
That the Municipality shall require the use of ‘-H’ Holding Provisions in accordance with Section 36 of the Planning Act. The terms for the removal of the Holding ‘-H’ Holding Symbol shall be in accordance with Section 6 of Zoning By-Law No. 76-26 and shall require the following:
- confirmation of sufficient servicing capacity for the development;
- that all necessary approvals have been received from all other agencies and government bodies and any required Agreements have been executed by the Owner; and
- that a Zone Change Application has been approved by the Municipality to remove the ‘-H’ Holding Symbol.

7. Engineering Drawings:
(a) That Prior to Final Plan Approval, the Owner shall submit for approval, subdivision design drawings, including design plans for all public works and services, prepared and certified by a Professional Engineer and designed pursuant to the Municipality’s Subdivision Design Guidelines and to the satisfaction of the Municipality. Such plans are to form part of the Subdivision Agreement.
(b) That Prior to Final Plan Approval, the Owner shall submit a digital listing of the approved subdivision design drawings in the Municipality’s standard format for incorporation into the Pre-Servicing and Subdivision Agreement.

8. Revisions to Draft Plan:
(a) That any further subdivision of Blocks or additional road patterns on the Plan shall be completed to the satisfaction of the Municipality.
(b) That Prior to Final Plan Approval of any part of the Plan, the Owner shall submit a revised Plan, if required, to reflect any significant alterations caused from this Draft Plan Approval.
(c) That where final engineering design(s) result in minor variations to the Plan (e.g., in the configuration of road allowances and lotting, number of lots, etc.), these may be reflected in the Final Plan to the satisfaction of the Municipality.

9. Phasing:
(a) That Final Plan Approval for registration may be issued in phases to the satisfaction of the Municipality, subject to all applicable fees.
(b) That the phasing of the development shall be reflected in the Subdivision Agreement and on the approved subdivision design drawings to the satisfaction of the Municipality, taking into account the temporary termination of underground services, interim grading, interim stormwater management, operations and maintenance vehicle access and access for emergency vehicles.
(c) That the phasing of the development shall be proposed in an orderly progression, in consideration of such matters as the timing of road improvements, infrastructure, schools and other essential services.
(d) That all agencies agree to registration by phases and provide clearances, as required, for each phase proposed for registration; furthermore, the required clearances may relate to lands not located within the phase sought to be registered.

REPORTS (CONTINUED)
Report No. 81 of the Planning Committee

10. Zoning By-Law Compliance:
(a) That the lands within this Draft Plan shall be appropriately zoned by a Zoning By-Law which has come into effect in accordance with the provisions of the Planning Act.

(b) That Prior to Final Plan Approval, the Owner shall submit a Surveyor’s Certificate which confirms that the lots and blocks within this Plan conform to the minimum lot frontage and lot area requirements of the applicable Zoning By-Law.

11. Required Studies:

(a) That Prior to Final Plan Approval, the Owner shall submit a Geotechnical Study, certified by a Professional Engineer, to the satisfaction of the Municipality. The recommendations of the Geotechnical Study shall be incorporated into the Subdivision Agreement and the Subdivision Agreement shall contain provisions whereby the Owner agrees to implement the Study recommendations to the satisfaction of the Municipality.

(b) That Prior to Final Approval, the Owner, for approval by the City of Kingston, shall submit an Environmental Site Assessment (Phase 1 ESA) for all areas of the subdivided lands intended for residential occupancy or conveyance as parkland, roadway or storm water infrastructure. In general, the City will require that the proponent provide assurances that the environmental quality of the soils and groundwater within the lands intended for development are compatible with the intended land use as described within the Guideline for Use at Contaminated Sites in Ontario (MOE rev. 1997) or its successor. In general the Phase 1 ESA shall be carried out in accordance with standard CSA Z768-01 and shall be up to date.

Should site remediation be required to meet the applicable soil and groundwater criteria set out in applicable guidelines, the Owner shall submit to the Municipality, Prior to Final Plan Approval, a copy of the Record of Site Condition acknowledged by a Provincial Officer of the Ministry of the Environment.

The Owner shall provide a certificate by a qualified professional that all lands within the Plan and any lands and easements external to the Plan to be dedicated to the Municipality, meet the applicable soil and groundwater criteria.

(c) That Prior to Final Plan Approval, all recommendations of the Servicing Study shall be incorporated into the Subdivision Agreement and the Subdivision Agreement shall contain provisions whereby the Owner agrees to implement the Study recommendations to the satisfaction of the Municipality.

(d) That Prior to Final Plan Approval, the Owner shall submit a Traffic Impact Report, prepared by a professional engineer to the satisfaction of the Municipality. The Subdivision Agreement shall contain provisions for the Owner to design, construct and financially secure the costs of any off site road improvements as are deemed necessary by the Report's recommendations to the satisfaction of the Municipality’s Director of Engineering.

(e) That Prior to Final Plan Approval, a Stormwater Management Report and implementing plans shall be prepared by a Professional Engineer, speak to the recommendations contained in the Weslake Report, to the satisfaction of the City of Kingston and the Cataraqui Region Conservation Authority, which plans shall be appended to the Subdivision Agreement between the Owner and the City of Kingston.

(f) That Prior to Final Plan Approval, the Owner shall submit a detailed Noise Impact Study prepared to the satisfaction of the Municipality and the Ministry of Environment. The recommendations of the Study shall be incorporated into the Subdivision Agreement and the Subdivision Agreement shall contain provisions whereby the Owner agrees to implement the Study recommendations to the satisfaction of the Municipality.

REPORTS (CONTINUED)
Report No. 81 of the Planning Committee
(g) **That Prior to Final Approval**, the Owner shall submit for approval, design plans for all public works and services prepared by a professional engineer to the satisfaction of the City of Kingston, such plans to be incorporated into the subdivision agreement between the Owner and the City of Kingston.

(h) **That Prior to Final Approval**, the Owner shall submit for the approval to the City of Kingston a Landscape Plan and Tree Preservation Plan.

12. **Archaeological Assessment:**

(a) That the Owner shall carry out an archaeological assessment of the subject property and mitigate, through preservation or resource removal and documentation, adverse impacts to any significant archaeological resources found. No grading or other soil disturbances shall take place on the subject property prior to the approval authority and the Ministry of Tourism and Culture confirming that all archaeological resource concerns have met licensing and resource requirements.

(b) **That Prior to Final Plan Approval and Prior to Commencement of any Works** on any site identified as being archaeologically significant, the Owner shall carry out archaeological excavations of such sites to the satisfaction of the Ministry of Tourism and Culture and the Municipality; the Owner shall agree to take protective measures required by the Municipality for such sites.

(c) In the event that deeply buried or previously undiscovered archaeological deposits are discovered in the course of development or site alteration, all work must immediately cease and the site must be secured. The Cultural Program Branch of the Ministry of Tourism and Culture (416-314-7123) and the City of Kingston Heritage Planner (613-546-4291 ext 1386) must be immediately contacted.

(d) In the event that human remains are encountered, all work must immediately cease and the site must be secured. The Kingston Police (613-549-4660), the Registrar of Cemeteries Regulation Section of the Ontario Ministry of Consumer Business Services (416-326-8494), the Cultural Program Branch of the Ministry of Tourism and Culture (416-314-7123), and the City of Kingston Heritage Planner (613-546-4291 ext 1386) must be immediately contacted.

13. **Stormwater Management:**

(a) **That Prior to Final Plan Approval**, any Block(s) identified for stormwater management shall be deeded to the Municipality. The design of the pond’s open space, including any connecting paths, shall be subject to approval by the Municipality.

(b) **That Prior to Final Plan Approval**, the Owner shall submit lot grading and drainage plans, and erosion and sediment control plans prepared by a qualified Professional Engineer for the Owner, to the satisfaction of the Municipality and the Cataraqui Region Conservation Authority. The approved plans shall be included in the Subdivision Agreement between the Owner and Municipality. The plans and report being in general conformance with the elevations developed in the Weslake Report.

(c) The subdivision agreement between the City and the Owner shall make provision for the owner to carry out the recommendations of the Final Storm Water Management Report, at his expense, to the satisfaction of the City of Kingston and the Cataraqui Region Conservation Authority.

(d) **Prior to Final Plan Approval and Prior to any Works Commencing on the Site**, the Owner shall submit for approval by the Municipality and the Cataraqui Region Conservation Authority (CRCA), a detailed engineering report(s) that describes the storm drainage system for the proposed development, which shall include:

   i) plans illustrating how this drainage system will be tied into the surrounding drainage systems, and indicating whether it is part of an overall drainage scheme, the design capacity of the receiving system and how external flows will be accommodated;

   ii) the location and description of all outlets and other facilities;

**REPORTS (CONTINUED)**

Report No. 81 of the Planning Committee
iii) storm water management techniques which may be required to control minor and major flows;
iv) proposed methods of controlling or minimizing erosion and siltation on-site and in downstream areas during and after construction;
v) overall grading plans for the subject lands; and
vi) storm water management practices to be used to treat storm water, to mitigate the impacts of development on the quality and quantity of ground and surface water resources as it relates to fish and their habitat.

(e) That the Owner shall agree to maintain all storm water management and erosion and sedimentation control structures operating and in good repair during the construction period.

(f) **That Prior to Final Plan Approval**, text shall be included in the Subdivision Agreement between the Owner and Municipality, to the satisfaction of the Cataraqui Region Conservation Authority, to advise the Owner of the requirement to obtain a permit under Ontario Regulation 148/06: Development Interference with Wetlands and Alterations to Shorelines and Watercourses from the Cataraqui Region Conservation Authority, prior to the placement or re-grading of fill on the site, and to advise the purchasers of Blocks 23, 24 and 25, inclusive that a permit from the Conservation Authority may be required prior to the issuance of a building permit by the Municipality.

14. Parkland Conveyance / Open Space / Environmental Protection Areas:

(a) That the Owner conveys up to 5% residential and up to 2% commercial of the land included in the Plan of Subdivision to the Municipality for functional park or other public recreational purposes. Where the subdivision exceeds 15 units per residential hectare of land, the Owner shall convey lands for recreational purposes at a rate of one hectare (2.5 acres) for each 300 dwelling units. The parkland conveyance requirement for this Phase 1 portion of the subject lands in the Woodhaven Plan is 0.25 ha based on the alternative density provision of the Planning Act and will be credited to the Community Park as shown in the Cataraqui West Secondary Plan.

(b) That lands to be conveyed to the Municipality for park or other public recreational purposes shall be subject to the following conditions:

(i) **That all lands shall be left in an untouched, natural state.** All existing vegetation is to remain within the limits of the park site, including any significant trees at the property line. Existing grades/elevations are to be maintained at the property lines and within the park itself unless approval for site alteration is received in writing from the Director of Recreation and Leisure Services or designate.

(ii) **That Prior to Assumption of the park,** the Manager of Culture, Parks and Recreation shall be in receipt of a clearance memo from the Director of Strategy, Environment and Communications indicating that the park site is environmentally clean.

(iii) That the Owner shall enter into a Site Access Agreement with the Municipality to permit City staff to access the park site to complete pre-engineering, survey and design works for the park. This Agreement shall terminate once the Municipality is deeded the land as part of Final Plan Approval.

(iv) **That Prior to the Commencement of any Clearing, Grubbing or Construction Work** within 10 metres of the park blocks defined on the Draft Plan, the Owner shall:

1. Install snow fencing around the periphery of the park site to protect the site. The Municipality will be responsible for the maintenance of the fence and its removal.

REPORTS (CONTINUED)

Report No. 81 of the Planning Committee

2. Post signage to Municipality specifications, on all accessible sides of each park block, which indicates:
the future use of the block as a park;
that no construction storage shall occur on this parcel of land nor shall any construction debris be dumped on this site; and
that all trees and other vegetation must not be disturbed.

(v) That Prior to the Transfer of Deeds for the Parkland to the Municipality, the Director of Recreation and Leisure Services or designate shall inspect the park site to ensure that the park is in a clean/natural state. The conditions on the site must be satisfactory to the Director of Recreation and Leisure Services prior to transfer of title and the removal of the snow fencing. Should the park blocks be in an unsatisfactory state, the Owner shall be held responsible for restoring the site to the satisfaction of the Municipality.

(c) That Prior to Final Plan Approval, the Owner shall prepare a Landowner Information Package, to the satisfaction of the Municipality and the Cataraqui Region Conservation Authority, which shall be distributed to all prospective purchasers and shall be appended to their Agreements of Purchase and Sale or Lease. Text shall be included in the Subdivision Agreement between the Owner and the Municipality, to the satisfaction of the Municipality and the Cataraqui Region Conservation Authority, to require a Notice to Purchasers that the Landowner Information Package has been prepared to help inform purchasers of the amenities designed into the subdivision as well, such as the living fence, and how to maintain it. The Landowner Information Package shall also include the warning clauses regarding snow removal limitations on bulbed corners and cul-de-sacs in residential subdivisions. Warning clauses regarding maximum driveway width and the need for written municipal approval for the widening or expansion of any driveway shall also be included in the Information Package. The Landowner Information Package shall be registered on title of the subject property.

15. Tree Inventory / Street Trees:

(a) That prior to any grubbing/clearing or construction on parcels of land not defined as roadways or servicing easements on the draft plan, the Owner shall receive final approval from the Municipality for a Tree Preservation plan prepared for the subject lands. The final approved tree inventory plan shall be prepared by a certified arborist (ISA approved), and shall set out the surveyed locations of all trees on the site. The tree inventory shall list the species, caliper size, condition, crown radius and indicate whether the tree is to be retained or removed. If trees 6 inches (150 mm) or more in diameter are to be removed from the subject lands, the developer will abide by the conditions of the tree removal permit under the Tree Conservation By-Law which may, at the Supervisor of Forestry's discretion, include a tree preservation plan, a tree replacement plan or cash compensation for the value of the trees to be removed. If the tree is to be removed a rationale for this action must be noted. If significant trees or groups of trees are identified to be retained in the tree inventory, a tree preservation plan will be required prior to final plan approval at the discretion of the Municipality. This plan shall be reviewed and approved by the Municipality and be included as a schedule to the Subdivision Agreement. Requirements for the tree preservation plan are noted in the subdivision design guidelines produced by the Municipality.

(b) That Prior to Final Plan Approval, the Owner shall submit a Street Tree Planting Plan prepared by a Landscape Architect to the satisfaction of the Municipality.

Report No. 81 of the Planning Committee

16. Community Mailboxes:

(a) That Prior to Final Plan Approval, the Owner shall, in consultation with and to the satisfaction of Canada Post, identify the location of community mailboxes within the Plan, and shall identify such locations on drawings...
for approval by the Municipality. The locations of these community mailboxes shall be identified in the notice to future purchasers of the lots within the Subdivision.

(b) **That Prior to Final Plan Approval**, the Owner shall, in consultation with and to the satisfaction of the Municipality, provide detailed design plans for the community mailboxes including a landscape plan showing street furniture and complimentary architectural features.

(c) That the Owner shall provide a suitable temporary community mailbox location(s) until the curbs, sidewalks and final grading have been completed at the permanent location(s).

17. **Bell Canada Requirements:**

That the Owner shall meet the following conditions of Bell Canada:

i. that the Owner shall agree in the Subdivision Agreement, in words satisfactory to Bell Canada, to grant Bell Canada any easements that may be required for telecommunications services; and,

ii. that the Owner shall be requested to enter into an Agreement (Letter of Understanding) with Bell Canada complying with any underground servicing conditions imposed by the Municipality, or if no such conditions are imposed, the Owner shall advise the Municipality of the arrangements for servicing.

iii. The Developer is hereby advised that prior to commencing any work within the Plan, the Developer must confirm that sufficient wire-line communication/telecommunication infrastructure is currently available within the proposed development to provide communication/telecommunication service to the proposed development. In the event that such infrastructure is not available, the Developer is hereby advised that the Developer may be required to pay for the connection to and/or extension of the existing communication/telecommunication infrastructure. If the Developer elects not to pay for such connection to and/or extension of the existing communication/telecommunication infrastructure, the Developer shall be required to demonstrate to the municipality that sufficient alternative communication/telecommunication facilities are available within the proposed development to enable, at a minimum, the effective delivery of communication/telecommunication services for emergency management services (i.e., 911 Emergency Services).

18. **Trans-Northern Pipelines Requirements:**

(a) That approval from Trans-Northern Pipelines shall be obtained prior to any work occurring within the easement or if work will cross the pipeline.

(b) That prior to any excavation within 30 metres of the Trans-Northern Pipeline easement, the owner/contractor shall contact Trans-Northern Pipeline.

(c) That prior to any work within the pipeline easement using heavy equipment, the owner/contractor shall contact Trans-Northern Pipeline a minimum of 3 working days prior to commencement of the activity.

(d) That the easement shall remain visible and free of encroachment and that all facilities crossing the pipeline easement shall be designed and constructed in accordance with applicable technical standards found in the *National Energy Board Act* and Pipeline Crossing Regulations.

Report No. 81 of the Planning Committee

19. **Hydro One Requirements:**

(a) **That Prior to Final Plan Approval**, the Owner/Subdivider shall submit to Hydro One the lot grading and drainage plan, showing existing and final grades, for review and approval. Drainage must be controlled and directed away from the Hydro One corridor.
(b) That the following **Warning Clauses/Notices** as required by Hydro One shall be included in the Subdivision Agreement:

“The transmission lines abutting this subdivision operate at 500,000, 230,000 or 115,000 volts. Section 186-Proximity of the Regulations for Construction projects in the Occupational Health and Safety Act, require that no object be brought closer than 6 metres (20 feet) to an energized 500 kV conductor. The distance for 230kV is 4.5 metres (15 feet), and for 115 kV conductors is 3 metres (10 feet). It is the Owner’s responsibility to be aware, and to make all personnel on site aware, that all equipment and personnel must come no closer than the distance specified in the Act. They should also be aware that the conductors can raise and lower without warning, depending on the electrical demand placed on the line.”

(c) That temporary fencing must be installed along the edge of the right-of-way prior to the start of construction, at the Owner’s expense.

(d) That permanent fencing must be installed after construction is completed along the Hydro One corridor, at the Owner’s expense.

(e) That the Hydro One corridor is not to be used without the express written permission of Hydro One Networks Inc. During construction, there shall be no storage of materials or mounding of earth or other debris on the right-of-way. The Owner shall be responsible for restoration of any damage to the right-of-way resulting from construction of the subdivision.

(f) The costs of any relocations or revisions to Hydro One facilities that are necessary to accommodate this subdivision shall be borne by the Owner.

20. **Utilities Requirements:**

(a) **Prior to Final Plan Approval**, the Owner shall satisfy all technical, financial and other requirements of Utilities Kingston regarding the design, installation, connection and/or expansion of electric distribution services, gas distribution services, water distribution services and sanitary sewer distribution services, or any other related matters.

(b) The Owner shall agree to design, purchase materials, and install a buried hydro distribution system, compatible with the existing and/or proposed systems in surrounding Plans, all in accordance with the latest standards and specifications of the utility provider, Utilities Kingston and the Municipality.

(c) The Owner shall agree to design, purchase materials and install a street lighting system, compatible with the existing and/or proposed systems in surrounding Plans, all in accordance with Municipal standards and specifications.

21. **Warning Clauses:**

That the Owner shall cause the following warning clauses to be included in a schedule to all offers of purchase and sale, or lease for all lots / blocks within this Plan and where the initial purchaser is a builder, the warning clauses shall be included in a schedule to the subsequent offers of purchase and sale or lease:

REPORTS (CONTINUED)
Report No. 81 of the Planning Committee

(a) within the entire subdivision plan:

- “Purchasers and/or tenants are advised that despite the inclusion of noise control features within both the development area and the individual building units, noise levels, including from construction activities, may be of concern and occasionally interfere with some activities of the dwelling occupants.”
• “Purchasers and/or tenants are advised that traffic calming measures may have been incorporated into the road allowances.”

• “Purchasers and/or tenants are advised that the planting of trees on Municipality boulevards in front of residential units is a requirement of the Municipality and a conceptual location Plan is included in the Subdivision Agreement. While every attempt will be made to plant trees as shown, the Municipality reserves the right to relocate or delete any boulevard tree without further notice.”

• “Purchasers of lots on cul-de-sacs and bulbed corners (lots with extended road widths to increase frontages) within this Subdivision are advised that the design of cul-de-sacs and bulbed corners presents challenges to the Municipalities clearing or removal operations. The Municipality will make every effort to keep the street clear of snow and to plow to the curb line. However, some property owners may experience higher volumes of snow at the end of their driveways or may have to remove snow from a portion of the roadway where it is not possible for the snow plow to reach the curb. Purchasers are further advised that it may be necessary for the Municipality to pile snow in the middle of the cul-de-sac or bulbed corners during or after significant storm events. The Municipality will only remove the snow piled in the middle of the cul-de-sac when ongoing snow clearing operations or normal vehicular access may be compromised.”

• “Purchasers and/or tenants are advised that mail delivery will be from a designated community mailbox, the location of which will be identified by the Owner prior to any home closings.”

• “Purchasers and/or tenants are advised that any roads ending in a dead end or temporary turning circle may be extended in the future to facilitate development of adjacent lands, without further notice.”

(b) abutting any open space, woodlot or storm water facility:

• “Purchasers and/or tenants are advised that the adjacent open space, woodlot or storm water management facility may be left in a naturally vegetated condition and receive minimal maintenance.”

(c) abutting a park block:

• “Purchasers and/or tenants are advised that the lot abuts a park, and that noise and lighting should be expected from the designed active use of the park.”

(d) abutting a potential transit route:

• “Purchasers and/or tenants are advised that the following streets may be used as transit routes in the future: Cataraqui Woods Drive and Tremont Drive.”

(e) Driveways

• “Purchasers and/or tenants are advised that driveway width is regulated by Municipal Zoning By-laws. Any expansion of a driveway beyond what is approved on the building permit for a property is required to obtain written approval from the municipality.

REPORTS (CONTINUED)
Report No. 81 of the Planning Committee

22. Model Homes:

That where the Owner proposes to proceed with the construction of a model home(s) prior to registration of the Plan, the Owner shall enter into an Agreement with the Municipality, setting out the conditions, and shall fulfill all relevant conditions of that Agreement prior to issuance of a building permit.

23. Living Fence:
(a) That the Owner shall agree to design and construct, at the Owners expense, a living fence for all rear lot lines that abut a residential lot. The living fence design and planting details shall form part of the subdivision plans submitted for final subdivision approval.

(b) The care and maintenance of the living fence shall be incorporated into the Landowner Information Package to be prepared by the Owner.

(c) The Owner agrees to enter into a cost sharing agreement with the Owner of the abutting lands for the construction of the Living Fence, if possible. If an agreement is not possible, then each Owner will be responsible for construction of the living fence on their respective properties.

24. General Conditions:

(a) That the Owner shall pay any and all outstanding application fees to the Planning and Development Department, in accordance with the Municipality’s Tariff of Fees By-Law.

(b) That the Owner agrees to remove any driveways and buildings on site, which are not approved to be maintained as part of the Plan; any modification to off-site driveways required to accommodate this Plan shall be coordinated and completed at the cost of the Owner.

(c) That the Owner shall agree that all lots or blocks, excluding blocks 23 to 25 inclusive, to be left vacant shall be graded, seeded, maintained and signed to prohibit dumping and trespassing prior to assumption of the works by the municipality.

(d) That Prior to Final Plan Approval, the Owner shall pay the proportionate share of the cost of any external municipal services, temporary and/or permanent, built or proposed, that have been designed and oversized by others to accommodate the subject plan.

(f) That the Owner shall agree to erect fencing in the locations and of the types as shown on the approved subdivision works drawings and as required by the Municipality.

(g) The Owner shall agree that no building permits, with the exception of model homes, will be applied for until the Municipality is satisfied that adequate access, municipal water, sanitary and storm services are available.

(h) That such easements as may be required for utility or drainage purposes shall be granted to the appropriate authority.

(i) That the subdivision agreement between the City of Kingston and the Owner contain all necessary notices to purchasers resulting from, but not necessarily restricted to, the design and provision of services, including the requirement to provide and maintain private site specific works as necessary.

(j) That Prior to Final Approval the owner agrees to pay the required contribution for “W2 Pond” Land Acquisition costs and Construction cost as identified in Highgate Creek Cost Sharing Agreement Dated June 14, 2005. This amount shall be included as a cash surcharge in the cost estimate for the first phase of the subdivision and shall be submitted to the municipality prior to final subdivision approval.

(k) That Prior to Final Approval the owner agrees to pay the required contribution to the Highgate Creek Reserve Fund. This amount shall be included as a cash surcharge in the cost estimate for the first phase of the subdivision and shall be submitted to the municipality prior to final subdivision approval.

REPORTS (CONTINUED)
Report No. 81 of the Planning Committee

(l) The Owner agrees to continue to participate in the Cataraqui West Owners group for cost sharing of any intersection works associated with the Woodhaven Development.

(m) That the future development of Blocks 23 and 24 shall be subject to Draft Plan of Subdivision approval.

(n) That the Owner Agrees that once grading has been established, a revised arborist report (tree preservation report) will be submitted for review and approval by the City’s arborist to verify any changes to the number of removal/retention candidates.
25. Clearance Letters:

(a) That Prior to Final Plan Approval, the approval authority shall advise that all Conditions of Draft Plan Approval have been satisfied; the clearance memorandum shall include a brief statement detailing how each Condition has been met.

(b) That Prior to Final Plan Approval, the Municipality is to be advised in writing by the Cataraqui Region Conservation Authority the method by which Conditions 11, 13 and 14 have been satisfied.

(c) That Prior to Final Plan Approval, the Municipality is to be advised in writing by Ontario Hydro the method by which Condition 19 has been satisfied.

(d) That Prior to Final Plan Approval, the Municipality is to be advised in writing by Trans-Northern Pipelines the method by which Condition 18 has been satisfied.

26. Lapsing Provisions:

(a) That pursuant to Section 51(32) of the Planning Act, this Draft Plan Approval shall lapse at the expiration of three (3) years from the date of issuance of Draft Plan Approval if final approval has not been given, unless an extension is requested by the Owner and, subject to review, granted by the approval authority.

(b) That pursuant to Section 51(33) of the Planning Act, the Owner may submit a request to the approval authority for an extension to this Draft Plan Approval. The extension period shall be for a maximum of two (2) years and must be submitted prior to the lapsing of Draft Plan Approval. Further extensions may be considered at the discretion of the approval authority where there are extenuating circumstances.

NOTES TO DRAFT PLAN APPROVAL:

1. It is the Applicant’s responsibility to fulfill the foregoing Conditions of Draft Plan Approval and to ensure that the required clearance letters are forwarded by the appropriate agencies to the Planning and Development Department of the City of Kingston.

2. When requesting Final Approval, the Applicant will submit a detailed account of how each Condition of Draft Plan Approval has been satisfied along with the appropriate clearance letter from the Agency, Ministry or body requesting the condition.

3. Prior to Final Plan Approval, the Applicant shall submit to the Municipality for review four (4) draft copies of all Reference Plans and Surveys and three (3) draft copies of the Final M-Plan.

4. When requesting final approval, such a request must be directed to the Planning and Development Department and be accompanied with:
   - Eight (8) mylars and four (4) paper prints of the completed Final M-Plan;
   - Four (4) copies of all Reference Plans and (4) copies of all Conveyance Documents for all easements and lands being conveyed to the Municipality; and,
   - A Surveyor’s Certificate to the effect that the lots and blocks on the Plan conform to the Zoning By-Law.

REPORTS (CONTINUED)
Report No. 81 of the Planning Committee

5. All measurements in subdivision final plans must be presented in metric units.

6. The Final Plan approved by the Municipality must be registered within thirty (30) days or the Municipality may, under Subsection 51(59) of the Planning Act, withdraw its approval.

**MOTIONS**

(1) Moved by Councillor Matheson
    Seconded by Councillor Hutchison

    WHEREAS citizens, over the term of this current Council, have expressed in varying degrees some concerns about the various infrastructure projects that the City of Kingston is considering, and looking at completing; and,

    WHEREAS the opportunity to have a say in a referendum type of process on any of these proposed projects cannot be accomplished at this late date due to limitations contained in the provincial guidelines governing referendums;

    THEREFORE BE IT RESOLVED THAT the City of Kingston undertake two Town Hall Meetings in order to receive feedback from constituents on these infrastructure projects, and on any other items of concern, or opportunities to improve our community that citizens would like to discuss;

        - and further -

        THAT an online survey also be made available to provide input;

        - and further -

        THAT the two Town Hall Meetings take place at City Hall and the Invista Centre respectively, in order to reach as wide an audience as possible and be as accessible to all as possible, between the months of June and September of 2010, with staff determining in conjunction with Council the best dates and times for these Town Halls to take place.

    WHEREAS Kingston's Jayna Hefford participated in the recent Winter Olympic Games in Vancouver as a member of the Canadian Women's Hockey team; and,

    WHEREAS Ms. Hefford and her teammates won the gold medal at this international competition; and,

    WHEREAS Ms. Hefford has achieved, to date, an impressive and inspiring total of three gold medals and one silver medal at Winter Olympic competitions; and,
WHEREAS Ms. Hefford has continued to make Kingston her home and remains active in our community through her involvement in charitable and municipal fundraising endeavours, summer hockey camps for girls, as well as the promotion of healthy and active lifestyles; and,

WHEREAS Ms. Hefford is a community ambassador who has inspired, and continues to inspire, Kingstonians of all ages through her tremendous accomplishments on the ice and throughout the city;

THEREFORE BE IT RESOLVED THAT the City of Kingston, in partnership with the International Hockey Hall of Fame, commission a portrait of Ms. Hefford, to be painted on the wall, near the interior south entrance of the Invista Centre. The portrait will become a fitting and lasting tribute to one of Kingston’s most accomplished and decorated international athletes, and one that will hopefully inspire a new generation of local athletes to work hard, to have fun and to aspire for greatness.
