PETITIONS

(1) A petition bearing 2 signatures was presented by Councillor Gerretsen and referred to the Environment, Infrastructure and Transportation Policies Committee and reads as follows:

“Dear Mark Gerretsen,
Remember us? Jenny and Tara? We are the students in Centennial P.S. in Mr. Caldwell’s class. We were wondering if you can bring this to the people in the Government?
A few weeks ago we found an issue in the city: a lot of households batteries are not getting disposed properly. If they don’t get disposed properly the chemical in the batteries like: lead, mercury and cadmium get into the water system and the landfill. You don’t want that to happen do you?
Some people take their batteries to hazardous waste facilities and then people from hazardous waste take the batteries to a factory where they get disposed properly but a lot of people think it is too far or they are too lazy to drive that far.
We have a few solutions for you to think about:
• there could be places around the city (like the mall or stores) that people can take their dead batteries to. Then people from hazardous waste facility can come and get the dead batteries.
• we could have a battery pick up day! Every year there could be 2 days that people can put their dead batteries in a box then people from hazardous waste could go around the city to pick them up.
You might be thinking that some batteries are too small to do any harm to us. Actually they are the most harmful ones because they need to produce a lot of electricity in a small thing so they need to have lots of chemicals to make that happen.
We hope you can make one of these solutions happen. We look forward for your reply.
Sincerely, Jenny Li and Tara Whitley"

MOTIONS OF CONGRATULATIONS/CONDOLENCES/SPEEDY RECOVERY

Motions of Congratulations

(1) Moved by Councillor Matheson
Seconded by Councillor Garrison

THAT the sincere congratulations of the City of Kingston be extended to Kingston’s own Scott Arniel on his appointment as Head Coach of the NHL’s Columbus Blue Jackets. In his third year as a coach in the American Hockey League (AHL), Arniel was awarded the Louis A.R. Pieri Memorial Award as AHL coach of the year in 2009. Scott Arniel is also a former professional ice hockey player who played in the NHL primarily with the Winnipeg Jets and Buffalo Sabres. He was inducted into the Kingston and District Sports Hall of Fame on May 2, 2008.

MOTIONS OF CONGRATULATIONS/CONDOLENCES/SPEEDY RECOVERY (CONTINUED)

(2) Moved by Councillor MacLeod-Kane
THAT the congratulations of Kingston City Council be extended to Pastor Reynolds James on the occasion of his 90th birthday on June 17, 2010.

(3) Moved by Councillor MacLeod-Kane
Seconded by Councillor Garrison

THAT the congratulations of Kingston City Council be extended to Pastor Reynolds James and his wife, Eliza Jane, on the occasion of their 60th wedding anniversary on June 24, 2010.

(4) Moved by Councillor Foster
Seconded by Councillor Smith

THAT the congratulations of Kingston City Council be extended to J. L. Richards and Associates for winning the Willis Chipman Award for its role in the cutting edge, $115-million upgrade to the Ravensview Wastewater Treatment Plant undertaken by Utilities Kingston. The firm provided project management, engineering, architectural and planning services (which included environmental assessment preparation), on site guidance, design, construction and commissioning oversight for the largest municipal project in Kingston's history. Presented by Consulting Engineers of Ontario, the Chipman Award is the highest distinction in Ontario’s consulting engineering community.

(5) Moved by Councillor Gerretsen
Seconded by Councillor MacLeod-Kane

THAT the congratulations of Kingston City Council be extended to Beth Robinson on the occasion of her 90th birthday, to be celebrated on June 19, 2010. Ms. Robinson is a long-time Kingston resident, occupational therapist, art therapist, instructor, community volunteer and author. She continues to contribute to the positive quality of life in our community, through her weekly therapy sessions with local veterans.

Motions of Condolences

(1) Moved by Councillor Meers
Seconded by Councillor Garrison

THAT the sincere condolences of Kingston City Council be extended to the family of the late Brian Allen, long-time employee of the City of Kingston and member of the Union Executive for CUPE 109, who passed away on June 10, 2010.

Motions of Speedy Recovery

(1) Moved by Councillor Garrison
Seconded by Councillor Hutchison

THAT the best wishes of Kingston City Council for a speedy recovery be extended to Mr. W. T. (Bill) Mills, former Mayor of Kingston.

AND THAT the Amending By-Law be presented to City Council for all three readings.

AND THAT the application for Draft Plan of Subdivision (Our File No. D12-054-2009) submitted by the City of
Kingston’s Real Estate & Construction Services Department, for the property located east of Gardiners Road, south of
Highway 401, BE APPROVED, subject to the following conditions:

1. Approved Draft Plan
That this approval applies to the Draft Plan of Subdivision, prepared by Hopkins, Cormier & Chitty Surveying,
dated May 5, 2010 which shows the following:

● 8 industrial blocks (Blocks 1 - 8);
● 2 environmental protection blocks (Block 9 and 10);

REPORTS (CONTINUED)
Report No. 87 of the Planning Committee

● 7 open space blocks (Block 11 – 16 and Block 20);
● 2 blocks for the Trans-Northern Pipeline easement (Blocks17 and 18);
● 1 block for the Hydro easement (Block 19);
● 4 new roadways (Streets ‘A’ to ‘D’).

2. Streets and Civic Addressing
(a) That the road allowances included in this Plan shall be shown and dedicated as public highways.
(b) That the road allowances within the Plan shall be designed in accordance with the City’s engineering standards and shall be dedicated to the City free of all charges and encumbrances. The streets, lots and blocks shall be designed to coincide with the development pattern on adjacent properties.

(c) That prior to Final Plan Approval, the Owner shall submit proposed street names for approval by the Planning and Development Department and the proposed street names shall be included on the first submission of the engineering drawings. That the Streets within this Plan shall be named to the satisfaction of the City, in consultation with the Planning and Development Department, in accordance with the City’s Civic Addressing and Road Naming By-Law.

(d) That prior to Final Plan Approval, the Owner shall provide confirmation that civic addresses have been assigned to the proposed blocks by the City’s Planning and Development Department, in accordance with the City’s Civic Addressing and Road Naming By-Law. The Owner shall be advised that the civic addresses are tentative until such time that the final plan is registered and the final lot layout has been confirmed.

(e) For blocks with more than one road frontage, the blocks will be addressed on the road frontage on which primary vehicular access is situated. Through Site Plan Control, the Owner shall confirm with the Planning and Development Department the appropriate road frontage where primary vehicular access is to be provided and shall confirm the approved civic address in order to comply with the City’s Civic Addressing and Road Naming By-Law and emergency response requirements.

(f) That the Owner shall agree that the location and design of any construction access shall be approved by the City and/or the appropriate authority.

3. Reserves, Easements and Conveyances
   (a) Any dead end or open side of a road allowance within the Plan shall be terminated in a 0.3 m reserve to be conveyed to the City free of all charges and encumbrances.

   (b) That prior to Final Plan Approval, the daylighting triangles shall be conveyed to the City free of all charges and encumbrances.

   (c) That such easements as may be required for utility or drainage purposes shall be granted to the appropriate authority free of all charges and encumbrances.

4. Subdivision Agreement (or other applicable Agreement)
   (a) That the Owner shall enter into the City’s standard Subdivision Agreement, or other applicable Agreement, which shall list all approved plans and municipal conditions as required by the City for the development of this Plan.

REPORTS (CONTINUED)
Report No. 87 of the Planning Committee

   (b) The Subdivision Agreement, or other applicable Agreement, between the Owner and the City be registered against the lands to which it applies once the Plan of Subdivision has been registered.

   (c) That the Subdivision Agreement, or other applicable Agreement, shall contain all necessary warning clauses and notices to purchasers resulting from, but not necessarily restricted to, the design and provision of services, including the requirement to provide and maintain private site specific works as necessary.
5. **Engineering Drawings**
   
   (a) That prior to Final Plan Approval, the Owner shall submit for approval, subdivision design drawings, including design plans for all public works and services, prepared and certified by a Professional Engineer and designed pursuant to the City’s Subdivision Design Guidelines and to the satisfaction of the City.

   (b) That prior to Final Plan Approval, the Owner shall submit a digital listing of the approved subdivision design drawings in the City’s standard format.

6. **Revisions to Draft Plan**
   
   (a) That any further subdivision of Blocks or additional road patterns on the Plan shall be completed to the satisfaction of the City.

   (b) That prior to Final Plan Approval of any part of the Plan, the Owner shall submit a revised Plan, if required, to reflect any significant alterations caused from this Draft Plan Approval.

   (c) That where final engineering design(s) result in minor variations to the Plan (e.g., in the configuration of road allowances and lotting, number of lots, etc.), these may be reflected in the Final Plan to the satisfaction of the City.

7. **Phasing**
   
   (a) That Final Plan Approval for registration may be issued in phases to the satisfaction of the City, subject to all applicable fees.

   (b) That the phasing of the development shall be reflected in the Subdivision Agreement, or other applicable Agreement, and on the approved subdivision design drawings to the satisfaction of the City, taking into account the temporary termination of underground services, interim grading, interim stormwater management, operations and maintenance vehicle access and access for emergency vehicles.

   (c) That the phasing of the development shall be proposed in an orderly progression, in consideration of such matters as the timing of road improvements, infrastructure, schools and other essential services.

   (d) That all agencies agree to registration by phases and provide clearances, as required, for each phase proposed for registration; furthermore, the required clearances may relate to lands not located within the phase sought to be registered.

8. **Zoning By-Law Compliance**
   
   (a) That the lands within this Draft Plan shall be appropriately zoned by a Zoning By-Law which has come into effect in accordance with the provisions of the *Planning Act*.

   (b) That prior to Final Plan Approval, the Owner shall submit a Surveyor’s Certificate which confirms that the lots and blocks within this Plan conform to the minimum lot frontage and lot area requirements of the applicable Zoning By-Law.
9. **Site Plan Control**
   (a) That a provision will be included in the Subdivision Agreement, or other applicable Agreement, indicating that any development within any portion of the Blocks will be subject to Site Plan Control.

   (b) That a provision will be included in the Subdivision Agreement, or other applicable Agreement, indicating that a tree inventory/preservation plan is to be completed for all site plan applications in conjunction with the Urban Design Guidelines, the Tree By-law and Site Plan Control Guidelines.

   (c) That the Owner is advised that all accesses will be approved through Site Plan Control applications.

   (d) The Subdivision Agreement, or other applicable Agreement, shall contain a provision that as a condition of development of the Blocks, applicants may, at the discretion of the City's Engineering Department, Traffic Division, require the submission of a Traffic Impact Study.

10. **Urban Design Guidelines**
    (a) That Prior to Final Plan Approval, the Owner shall prepare an Urban Design Guideline which sets out the design principles which will guide the development of the lands within the plan of subdivision. The Urban Design Guideline shall include, but not be limited to, site design, built form, building orientation, sustainable design, streetscape character, landscaping, preservation of the natural environment and implementation recommendations.

11. **Archaeological Assessment**
    (a) That no development will be permitted on Block 11 until such time as the owner has completed the required Archaeological Assessment, to the satisfaction of the City and the Ministry of Tourism & Culture and all required clearances have been received from the Ministry of Tourism & Culture.

    (b) That a final version of the Stage 2 Archaeological Assessment and the letter of receipt and acceptance by the Ministry of Tourism and Culture must be received before the Final Plan of Subdivision is approved and any ground disturbance/construction anywhere on the site.

    (c) That for the southern part of the site, the Planning & Development Department will need a letter of review and acceptance from the Ministry of Tourism and Culture that, clears the area of the subdivision for Phase 1 of the development.

    (d) In the event that deeply buried or previously undiscovered archaeological deposits are discovered in the course of development or site alteration, all work must immediately cease and the site must be secured. The Cultural Program Branch of the Ministry of Culture (416-314-7123) and the City of Kingston Heritage Planner (613-546-4291 ext 1386) must be immediately contacted.

**REPORTS (CONTINUED)**

Report No. 87 of the Planning Committee

    (e) In the event that human remains are encountered, all work must immediately cease and the site must be secured. The Kingston Police (613-549-4660), the Registrar of Cemeteries Regulation Section of the Ontario Ministry of Consumer Business Services (416-326-8494), the Cultural Program Branch of the Ministry of Culture (416-314-7123), and the City of Kingston Heritage Planner (613-546-4291 ext 1386) must be immediately contacted.

12. **Stormwater Management**
    (a) That prior to Final Plan Approval, the Owner shall submit lot grading and drainage plans, and erosion and sediment control plans prepared by a qualified Professional Engineer for the Owner, to the satisfaction of the City and the Cataraqui Region Conservation Authority.
(b) That prior to Final Plan Approval, the Owner shall submit a Stormwater Management Report and implementing plans for the development. The report shall be prepared by a qualified Professional Engineer, to the satisfaction of the City and Cataraqui Region Conservation Authority. The report must evaluate the recommendations contained in the Weslake Report.

(c) The recommendations of the Stormwater Management Report shall be incorporated into the Subdivision Agreement, or other applicable Agreement, and the Subdivision Agreement, or other applicable Agreement, shall contain provisions whereby the Owner agrees to implement the Study recommendations to the satisfaction of the Municipality.

(d) Prior to Final Plan Approval and prior to any works commencing on the site, the Owner shall submit for approval by the City and the Cataraqui Region Conservation Authority, a detailed engineering report(s) that describes the storm drainage system for the proposed development, which shall include:
   i) plans illustrating how this drainage system will be tied into the surrounding drainage systems, and indicating whether it is part of an overall drainage scheme, the design capacity of the receiving system and how external flows will be accommodated;
   ii) the location and description of all outlets and other facilities;
   iii) stormwater management techniques which may be required to control minor and major flows;
   iv) proposed methods of controlling or minimizing erosion and siltation on-site and in downstream areas during and after construction;
   v) overall grading plans for the subject lands; and
   vi) stormwater management practices to be used to treat storm water, to mitigate the impacts of development on the quality and quantity of ground and surface water resources as it relates to fish and their habitat.

13. Environmental Impact Study
(a) That prior to Final Plan Approval, the Owners shall agree to incorporate the recommendations of the Environmental Impact Assessment prepared by Daniel Brunton Consulting Services, dated May, 2010 for the subject property into the approved plans and Subdivision Agreement, or other applicable Agreement.

(b) The Subdivision Agreement, or other applicable Agreement, shall contain provisions whereby the Owner agrees to implement the recommendations of the Environmental Impact Assessment to the satisfaction of the City, including but not limited to the following:

REPORTS (CONTINUED)
Report No. 87 of the Planning Committee

(i) Landscape design required for development of properties within the Cataraqui Estates Business Park should reflect the natural vegetation of the area and should emphasize retention of indigenous habitat over new plantings. Landscape design in Blocks 6 and 7 should emphasize retention of the Red Juniper grove habitat utilized by the Juniper Hairstreak butterfly.

(ii) Prior to any development on Block 3, the Prairie-smoke (Geum triflorum) plant must be transplanted to the alvar-like habitat in the Environmental Protection Area. A preservation/relocation plan must be prepared by a Landscape Architect to show the proposed location of the transplanted plant material. The Owner must submit a letter from a Biologist or Ecologist certifying that the proposed location is appropriate for the preservation and relocation of the Prairie-smoke plant, to the satisfaction of the City and the Cataraqui Region Conservation Authority.
14. **Parkland Conveyance**
   (a) That lands to be conveyed to the City for park or other public recreational purposes shall be subject to the following conditions:

   i. That all lands shall be left in an untouched, natural state. All existing vegetation is to remain within the limits of the park site, including any significant trees at the property line. Existing grades/elevations are to be maintained at the property lines and within the park itself unless approval for site alteration is received in writing from the Manager of Culture, Parks and Recreation or designate.

   ii. That prior to assumption of the park, the Manager of Culture, Parks and Recreation shall be in receipt of a clearance memo from the Manager of Environment indicating that the park site is environmentally clean.

   iii. That the Owner shall enter into a Site Access Agreement with the Municipality to permit City staff to access the park site to complete pre-engineering, survey and design works for the park. This Agreement shall terminate once the Municipality is deeded the land as part of Final Plan Approval.

   iv. That prior to the commencement of any clearing, grubbing or construction work within 10 metres of the park blocks defined on the Draft Plan, the Owner shall:

      1. Install snow fencing around the periphery of the park site to protect the site. The Municipality will be responsible for the maintenance of the fence and its removal.

      2. Post signage to Municipality specifications, on all accessible sides of each park block, which indicates:

         • the future use of the block as a park;
         • that no construction storage shall occur on this parcel of land nor shall any construction debris be dumped on this site; and
         • that all trees and other vegetation must not be disturbed.

   v. That prior to the transfer of deeds for the parkland to the City, the Manager of Culture, Parks and Recreation or designate shall inspect the park site to ensure that the park is in a clean/natural state. The conditions on the site must be satisfactory to the Manager of Culture, Parks and Recreation prior to transfer of title and the removal of the snow fencing. Should the park blocks be in an unsatisfactory state, the Owner shall be held responsible for restoring the site to the City’s satisfaction.

15. **Natural Open Space and/or Environmental Protection Areas**
   (a) That the Owner shall deed the lands described as Environmental Protection Area and Open Space, without prejudice or compensation, to the City, said lands being described as Block(s) 9 to 16 inclusive and Block 20, as natural areas. Provisions shall be included in the Subdivision Agreement, or other applicable Agreement, to advise all purchasers that these public lands are intended to remain in a naturalized condition and that no regular or periodic maintenance, only risk management practices will be done on the land as required by the City.

16. **Tree Preservation Plan / Street Trees:**
   (a) That prior to Final Plan Approval, the Owner shall submit an assessment of the identified Butternut trees by an approved Butternut Health Assessor.

   (b) That prior to Final Plan Approval and as part of the subdivision design, the Owner shall submit a detailed plan showing the location of all Butternut trees that are to be retained.
(c) That prior to Final Plan Approval, the Owner shall submit a Tree Preservation Plan prepared by an ISA Certified Arborist, Registered Professional Forester, or Treemarker and to the satisfaction of the City.

(d) The recommendations of the Tree Preservation Plan shall be incorporated into the Subdivision Agreement, or other applicable Agreement, and the Subdivision Agreement, or other applicable Agreement, shall contain provisions whereby the Owner agrees to implement the Study recommendations to the satisfaction of the Municipality.

(e) That prior to any grubbing/clearing or construction on parcels of land not defined as roadways or servicing easements on the draft plan, the Owner shall receive final approval from the City for a Tree Preservation plan prepared for the subject lands. The final approved tree inventory plan shall be prepared by a certified arborist (ISA approved), and shall set out the surveyed locations of all trees on the site. The tree inventory shall list the species, caliper size, condition, crown radius and indicate whether the tree is to be retained or removed. If trees 6 inches (150 mm) or more in diameter are to be removed from the subject lands, the developer will abide by the conditions of the tree removal permit under the Tree Conservation By-Law which may, at the Supervisor of Forestry's discretion, include a tree preservation plan, a tree replacement plan or cash compensation for the value of the trees to be removed. If a tree is to be removed a rationale for this action must be noted. If significant trees or groups of trees are identified to be retained in the tree inventory, a tree preservation plan will be required prior to final approval at the discretion of the City. This plan shall be reviewed and approved by the City and be included as a schedule to the Subdivision Agreement, or other applicable Agreement. Requirements for the tree preservation plan are noted in the subdivision design guidelines produced by the City.

(f) That prior to Final Plan Approval, the Owner shall submit a Street Tree Planting Plan prepared by a Landscape Architect to the satisfaction of the City.

17. **Cataraqui Region Conservation**

   (a) That prior to Final Plan Approval, floodplain and wetland compensation be provided to the satisfaction of the Cataraqui Region Conservation Authority for the extension of Centennial Drive through the wetland.

REPORTS (CONTINUED)

Report No. 87 of the Planning Committee

18. **Bell Canada**

   (a) That the Owner shall meet the following conditions of Bell Canada:

      i. that the Owner shall agree in the Subdivision Agreement, or other applicable Agreement, in words satisfactory to Bell Canada, to grant Bell Canada any easements that may be required for telecommunications services; and,

      ii. that the Owner shall be requested to enter into an Agreement (Letter of Understanding) with Bell Canada complying with any underground servicing conditions imposed by the Municipality, or if no such conditions are imposed, the Owner shall advise the Municipality of the arrangements for servicing.

      iii. The Developer is hereby advised that prior to commencing any work within the Plan, the Developer must confirm that sufficient wire-line communication/telecommunication infrastructure is currently available within the proposed development to provide communication/telecommunication service to the proposed development. In the event that such infrastructure is not available, the Developer is hereby advised that the
Developer may be required to pay for the connection to and/or extension of the existing communication/telecommunication infrastructure. If the Developer elects not to pay for such connection to and/or extension of the existing communication/telecommunication infrastructure, the Developer shall be required to demonstrate to the municipality that sufficient alternative communication/telecommunication facilities are available within the proposed development to enable, at a minimum, the effective delivery of communication/telecommunication services for emergency management services (i.e., 911 Emergency Services).

19. **Ministry of Transportation**
   (a) That prior to Final Plan Approval, the owner shall submit to the Ministry of Transportation for their review and approval, a copy of a drainage / stormwater management plan / report indicating the intended treatment of the calculated runoff.

   (b) That prior to Final Plan Approval, the owner shall submit to the Ministry of Transportation for their review and approval, a copy of a Traffic Impact Study (report / analysis / assessment) indicating the anticipated traffic volumes and their impact to Highway 401, the Highway 401 / Gardiners Road Interchange ramp terminals, and the signalized Gardiners Road / Centennial Drive intersection.

20. **Trans-Northern Pipeline**
   (a) That the Subdivision Agreement, or other applicable Agreement, shall contain a provision indicating that the Trans-Northern Pipeline will be notified of any further development proposal for Blocks 1 and 8 to ensure compatible use of the pipeline right-of-way.

   (b) That prior to Final Plan Approval, the proposed Street ‘A’ crossing of the pipeline will have to be approved in accordance with the Pipeline Crossing Regulations. Trans-Northern Pipeline advises that the position of the pipeline may have implications for design of the Street ‘A’ and Street ‘B’ intersection, particularly with respect to the placement of lighting, signage and such.

   (c) That approval from Trans-Northern Pipeline shall be obtained prior to any work occurring within the easement or if work will cross the pipeline.

**REPORTS (CONTINUED)**

**Report No. 87 of the Planning Committee**

   (d) That prior to any excavation within 30 metres of the Trans-Northern Pipeline easement, the owner/contractor shall contact Trans-Northern Pipeline.

   (e) That prior to any work within the pipeline easement using heavy equipment, the Owner/contractor shall contact Trans-Northern Pipeline a minimum of 3 working days prior to commencement of the activity.

21. **Hydro One**
   (a) Prior to Final Plan Approval, the Owner shall submit to Hydro One the lot grading and drainage plan, showing existing and final grades, for review and approval. Drainage must be controlled and directed away from the Hydro One corridor.

   (b) That the following Warning Clauses/Notices as required by Hydro One shall be included in the Subdivision Agreement, or other applicable Agreement:

   "The transmission lines abutting this subdivision operate at 500,000, 230,000 or 115,000 volts. Section 186-Proximity-of the Regulations for Construction projects in the Occupational Health and Safety Act, require that no object be brought closer than 6 metres (20feet) to an energized 500 kV conductor. The distance for 230kV is 4.5 metres (15 feet), and for 115 kV conductors is 3 metres (10 feet). It is the Owner’s responsibility
to be aware, and to make all personnel on site aware, that all equipment and personnel must come no closer than the distance specified in the Act. They should also be aware that the conductors can raise and lower without warning, depending on the electrical demand placed on the line.

(c) That the Hydro One corridor is not to be used without the express written permission of Hydro One Networks Inc. During construction, there shall be no storage of materials or mounding of earth or other debris on the right-of-way. The Owner shall be responsible for restoration of any damage to the right-of-way resulting from construction of the subdivision.

(d) The costs of any relocations or revisions to Hydro One facilities that are necessary to accommodate this subdivision shall be borne by the Owner.

22. **Utilities Kingston**

(a) Prior to Final Plan Approval, the Owner shall satisfy all technical, financial and other requirements of Utilities Kingston regarding the design, installation, connection and/or expansion of electric distribution services, gas distribution services, water distribution services and sanitary sewer distribution services, or any other related matters.

(b) The Owner shall agree to design, purchase materials, and install a buried hydro distribution system, compatible with the existing and/or proposed systems in surrounding Plans, all in accordance with the latest standards and specifications of Utilities Kingston and the City.

(c) The Owner shall agree to design, purchase materials and install a street lighting system, compatible with the existing and/or proposed systems in surrounding Plans, all in accordance with Municipal standards and specifications.

**REPORTS (CONTINUED)**

Report No. 87 of the Planning Committee

23. **Construction Traffic Route**

(a) Prior to approval of any engineering drawings, arrangements shall be made to the satisfaction of the City of Kingston for a suitable construction traffic route.

24. **General Conditions:**

(a) That the Owner shall pay any and all outstanding application fees to the Planning and Development Department, in accordance with the City’s Tariff of Fees By-Law.

(b) That when requesting Final Approval from the City, the Owner shall accompany such request with the required number of originals and copies of the Final Plan, together with a surveyor’s certificate stating that the lots/blocks thereon conform to the frontage and area to the requirements of the Zoning By-Law.

(c) That the Owner shall agree that all lots or blocks to be left vacant shall be graded, seeded, maintained and signed to prohibit dumping and trespassing prior to assumption of the works by the City.

25. **Clearance Letters:**

(a) That prior to Final Plan Approval, the approval authority shall advise that all Conditions of Draft Plan Approval have been satisfied; the clearance memorandum shall include a brief statement detailing how each Condition has been met.
(b) That prior to Final Plan Approval, the City is to be advised in writing by the Cataraqui Region Conservation Authority the method by which Conditions 12(a), 12(b), 12(d), 13(b)(ii) and 17(a) have been satisfied.

(c) That prior to Final Plan Approval, the City is to be advised in writing by the Ministry of Transportation the method by which Condition 19 has been satisfied.

(d) That prior to Final Plan Approval, the City is to be advised in writing by the Ministry of Tourism & Culture the method by which Conditions 11(a), (b) and (c) has been satisfied.

(e) That prior to Final Plan Approval, the City is to be advised in writing by the Trans-Northern Pipeline the method by which Condition 20 has been satisfied.

(f) That prior to Final Plan Approval, the Municipality is to be advised in writing by Ontario Hydro the method by which Condition 21 has been satisfied.

26. **Lapsing Provisions:**
   (a) That pursuant to Section 51(32) of the *Planning Act*, this Draft Plan Approval shall lapse at the expiration of three (3) years from the date of issuance of Draft Plan Approval if final approval has not been given, unless an extension is requested by the Owner and, subject to review, granted by the approval authority.

REPORTS (CONTINUED)

Report No. 87 of the Planning Committee

(b) That pursuant to Section 51(33) of the *Planning Act*, the Owner may submit a request to the approval authority for an extension to this Draft Plan Approval. The extension period shall be for a maximum of two (2) years and must be submitted prior to the lapsing of Draft Plan Approval. Further extensions may be considered at the discretion of the approval authority where there are extenuating circumstances.

Report No. 88 of the Arts, Recreation and Community Policies Committee

Moved by Councillor Hutchison
Seconded by Councillor Osanic

THAT Report No. 88 of the Arts, Recreation and Community Policies Committee be received and adopted.

Report No. 88

To the Mayor and Members of Council:
The Arts, Recreation and Community Policies Committee reports and recommends as follows:
1. **2009-2010 Emergency Hostel Review and Use of DOOR Shelter Capital Reserve Funds for Relocation and Redevelopment**

   1. That the existing emergency hostel providers continue to operate with their specialized mandates to serve specific populations (i.e. youth, families, women and children, men);
      - and further -
   2. That $50,000 from the Emergency Shelter Capital Reserve account is kept for unanticipated capital expenses;
      - and further -
   3. That an allocation be made to Home Base Housing for an amount up to the balance in the DOOR Shelter Capital Reserve account (currently $445,000) for capital costs associated with the redevelopment of In From the Cold Shelter, when they have secured an appropriate building for the relocation, including the recommended components identified in the ESSP process. All agreements related to this capital funding allocation must be in a form satisfactory to the Director of Legal Services and are subject to Service Manager approval. It is understood that any increase in shelter beds can only be done with Service Manager approval and within approved operating budget envelope for hostel services;
      - and further -

**REPORTS (CONTINUED)**

Report No. 88 of the Arts, Recreation and Community Policies Committee

4. That the City of Kingston supports the expansion of Ryandale Shelter for the homeless using Federal HPS funding and that Council authorize the City’s commitment to fund an additional 4 emergency shelter beds if required, effective August 1, 2010, on an 80.6/19.4 cost shared basis with the Province through available Ontario Works per diem program funding; it being understood that any year end budgetary shortfall for this expenditure item will be funded by an allocation from the Social Services Stabilization Reserve Fund to an upset limit of $10,000;
   - and further -

5. That City of Kingston staff participate in a working group with the community to make recommendations about the feasibility of a Kingston plan to assist hard to serve clients transitioning out of the shelter system into permanent housing, using a housing first approach specific to Kingston;
   - and further -

6. That City of Kingston staff, community housing and emergency hostel partners work with the Local Health Integrated Network (LHIN) to obtain their assistance in providing options for possible funding for the required support services for the special care health beds in a shelter system – for example, medically trained (Nursing or Personal Support) workers and related on-site services.

WHEREAS 28% of Ontario’s children are overweight and obese and this rate has tripled in the past 25 years; and,

WHEREAS physical inactivity and limited access to healthy food has led to this current crisis; and,

WHEREAS every child has the right to grow up healthy; and,

WHEREAS the Heart and Stroke Foundation of Ontario has launched Spark Together for Healthy Kids to raise public awareness and consensus that childhood obesity is an issue of vital importance that impacts all of us; and,

WHEREAS municipal policies can play a part in improving access to healthy foods and physical activity;

THEREFORE BE IT RESOLVED THAT Deputy Mayor Schmolka, on behalf of Kingston City Council, will say YES to Spark Together for Healthy Kids and will sign the Spark Promise to our Children at heartandstroke.ca/SPARK.

THAT the City of Kingston support the following resolution previously passed by the Federation of Canadian Municipalities:

WHEREAS the Canadian economic downturn is putting the retirement security of many workers at risk; and,

WHEREAS Canadian cities are directly impacted as they are key front line providers of social services and support programs for older workers and retirees; and,

WHEREAS Ontario cities bear an additional portion of the cost of providing such programs; and,

WHEREAS the significant economic downturn in combination with an increased number of employer bankruptcies across various sectors have resulted in under-funded pension plans and the actual and potential loss of promised pension benefits; and,

WHEREAS only one in four private sector workers belong to an employer pension plan and the remaining 3 out of 4 workers must rely more heavily on personal savings to provide for their retirement; and,
WHEREAS the Canadian public pension system including Old Age Security (OAS) and the Guaranteed Income Supplement (GIS) plus the Canada Pension Plan (CPP) is safe but falls well short of replacing the 50% to 70% of pre-retirement income needed to maintain a decent standard of living;

THEREFORE BE IT RESOLVED THAT the Federation of Canadian Municipalities (FCM) support expansion of Canada’s public pension system by and at the cost of the Federal Government and not municipalities:

1. by increasing the Guaranteed Income Supplement (GIS) by 15%, so no senior lives in poverty; and

2. by protecting Canadian pensions through a federal system of pension insurance;

- and further -

THAT FCM support the call on the federal government to hold a national summit on the issue of pensions and support the expansion of the Canada Pension Plan;

- and further -

MOTIONS (CONTINUED)

THAT a letter of support from the Office of the Mayor of the City of Kingston (to include the resolution) be sent to the Federal Minister of Finance, the MP for Kingston and the Islands, the MPP for Kingston and the Islands, the Canadian Association of Retired Persons (CARP), the Canadian Labour Congress, and the Federation of Canadian Municipalities (FCM).

WHEREAS the prison farms at Frontenac and Pittsburgh Institutions provide milk, eggs, and meat for 14 penitentiaries in Ontario and Quebec saving Canadian taxpayers from having to pay for this food for prison inmates; and,

WHEREAS the prison farms provide inmates with real work to do while they serve their time, contribute to their rehabilitation, and allow them to “pay their way through agriculture”; and,

WHEREAS on-going community efforts to save the prison farms have gathered increasing support both in Kingston and across the country; and,

WHEREAS Kingston City Council wishes to make it absolutely clear to the federal government that we believe that the prison farms are a positive and productive element of our community and should not be closed;

THEREFORE BE IT RESOLVED THAT City Council ask the federal government to reconsider its position and not close the prison farms in Kingston, and that a moratorium on the prison farm closures be put into place until a full public review of this decision takes place;

- and further -

THAT a copy of this motion be sent to the Prime Minister, the Attorney General of Canada, and the Minister of Public Safety and Emergency Preparedness, as well as the leaders of the opposition parties, and their appropriate critics for this portfolio, and all municipalities over 50,000, FCM, AMO, and Correctional Service of Canada, asking for their support.
