PETITIONS

(1) A petition bearing approximately 410 signatures was received at the Clerk’s Department and referred to Council and the Commissioner of Sustainability and Growth and reads as follows:

“The Polson Park Free Methodist Church, West 49 and the skateboarding community ask for your support in keeping the West 49 Lyon Skate Park intact and in its current location in the Polson Park Community.  The City of Kingston is planning on removing the vital and much-used skate board equipment from the skate park in an effort to reduce usage of the skate park by teenagers.  The users of the skate park have been unfairly accused of vandalism and noise violations, but the City of Kingston has not backed up these accusations with proof.

PETITIONS (CONTINUED)
The West 49 Lyon Skate Park is very popular, with the heaviest usage between 6 p.m. and 8 p.m. and on weekends. The users are mostly St. Lawrence, Queen’s, LCVI and Polson Park students. The atmosphere at the skate park is very positive, the cement pad is extremely clean and, although graffiti exists, it is minimal and non-offensive. City staff and the park users have indicated that the skateboarding community was not consulted before this decision was made. We feel that the users of the West 49 Lyon Skate Park should be included in any decisions that affect them.

We feel that a public meeting should be held with all interested parties before any action is taken regarding the West 49 Lyon Skate Park.

We ask that Parks and Recreation staff leave West 49 Lyon Skate Park intact until the Arts, Recreation and Community Policies Committee (ARCP) has received a staff report with the results of a public meeting and ARCP has made a recommendation to Council on the future of the West 49 Lyon Skate Park.

REFERRED TO COUNCIL AND THE COMMISSIONER OF SUSTAINABILITY AND GROWTH

(2) A petition bearing approximately 303 signatures was presented by Councillor Hector and referred to the Arts, Recreation and Community Policies Committee and reads as follows:

“We the undersigned petition the City of Kingston to NOT permit Back Yard Hens.”
