Dear James:

It is with regret and a heavy heart that I am writing to inform you that I am resigning from my position as a volunteer member of the City of Kingston Municipal Accessibility Advisory Committee (MAAC), effective immediately.

When I first joined MAAC my employment situation was such that I had the flexibility to attend regular MAAC meetings. However, I have recently accepted a new position that does not allow the same leeway at this time, and as a result I cannot commit to attending meetings. It is for this reason that I must resign from the committee.

While my time with MAAC has been relatively brief, I have enjoyed learning more and contributing to the City's accessibility efforts for the community. My hope is that I will be able to apply to be a part of the committee at a future date when my work schedule allows me more opportunity to support endeavours and causes that are important to me, but whose activities take place during regular business hours.

Thank you for the opportunity to be a part of MAAC.

Sincerely,

Laura
