New Motions

1. Moved by Councillor M^cLaren
Seconded by Councillor Candon

Whereas equality is a respected Canadian value as conveyed and expressed through Canadian citizenship which has conferred serious rights and responsibilities on all the members of our community equally and without discrimination; and

Whereas the federal Bill C-24, Strengthening Canadian Citizenship Act, has created an unequal two-tiered Canadian citizenship status which may weaken Canada's economic development potential by making Canada a less attractive destination for needed highly educated and skilled immigrants; and

Whereas the City of Kingston, as a case in point, is headed for a skilled labour shortage starting in approximately 2021 and is in need of highly educated and skilled immigration and in-migration without which Kingston will experience a loss of economic development, a situation that may well be made worse by Bill C-24's citizenship legislation; and

Whereas Bill C-24 has some very problematic clauses that could negatively impact both our community members and our national social fabric, including:

1. The possibility of citizenship revocation to Canadians who have the possibility of dual citizenship, (section 8 of Bill C-24 which amends section 10 of the Act),
2. The creation of levels of citizenship rights with the accompanying second class citizenship status, (section 8 of Bill C-24 which amends section 10 of the Act),
3. The increased possibility and likelihood of creating stateless people, (section 8 of Bill C-24 which amends section 10 of the Act),
4. The elimination of the right to a Federal Court hearing when citizenship revocation is administered, (section 8 of Bill C-24 which amends section 10 of the Act),
5. The permitting of indefinite delays for citizenship applications, (section 11 of Bill C-24 which amends section 13 of the Act),
6. Barring citizenship to foreign nationals for "crimes" that may not be considered crimes in Canada, (section 8 of Bill C-24 which amends section 10 of the Act), and
7. Reduced right of conferring citizenship from Canadian parents after the first generation to children born outside of Canada, (section 2 of Bill C-24 which amends section 3 of the Act);

Therefore Be It Resolved That the City and Council of Kingston petition the Federal government to reconsider Bill C-24 and its effects; and

That the City and Council of Kingston add their voice to the people and institutions speaking against Bill C-24 by communicating to the New Prime Minister, the opposition party leaders, the Minister of Citizenship and Immigration, the opposition citizenship and immigration critics and other Municipalities in Ontario via the Association of Municipalities of Ontario the above noted concerns expressed in this motion.

2. Moved by Councillor Allen
Seconded by Councillor Osanic

Whereas Tomlinson Environmental Services Limited has applied for a zoning by-law amendment with the respect to the property located at 1660-1674 Sydenham Rd for the purpose of establishing and operating a warehouse, self-storage facility, open storage, an automobile body shop and an accessory dwelling unit on the subject lands (File Number D14-247-2012); and

Whereas concern was expressed by residents at Public Meetings conducted August 2, 2012 and for a revised application on May 7, 2015 in respect to numerous site plan issues that may impact residential neighbours such as, noise, water source protection separation distance, and

Whereas the delegation of authority by-law, 2006-75, allows for Council to “bump-up” site plan control applications to Planning Committee; and

Whereas this procedure will provide transparency and allow the details to be debated in a public forum;

Therefore Be It Resolved That the site plan control application for 1660-1674 Sydenham Rd by Tomlinson Environmental Services Limited be “bumped up” to the Planning Committee.

3. Moved by Councillor Allen
Seconded by Councillor Holland

Whereas Kingston has been home to a number of successful marathon swimmers, including world record swimmer Vicki Keith, whose marathon feats include the first person to cross of all five Great Lakes, the crossing of the English Channel, the circumnavigation of Sydney Harbour in Australia, as well as several crossings of Lake Ontario; and

Whereas Vicki Keith began her world record breaking career as a Marathon Swimmer in Kingston, including the completion of a historic 80.2 kilometre butterfly stroke crossing of Lake Ontario, landing in Lake Ontario Park; and Whereas Ms. Keith holds 16 World Records and has received numerous awards for her impressive feats, inspiring many subsequent crossings of Lake Ontario by others from across our City; and

Whereas in 2015 Kingston City Council adopted a Commemorations Strategy, which includes recommendations to encourage the celebration of both women and sport in the City of Kingston;

Therefore Be It Resolved That the City of Kingston accept the donation of the stone touched by Ms. Keith signalling the completion of her 80.2 Kilometre, multiple world record breaking crossing of Lake Ontario for inclusion in the launch of Kingston’s Commemorations process in 2016 in order to tell the stories of Vicki Keith along with Kingston’s other commendable marathon swimmers.
