Report Number 54: Received from the Environment, Infrastructure and Transportation Policies Committee

Report Number 54

To the Mayor and Members of Council:

The Environment, Infrastructure and Transportation Policies Committee reports and recommends as follows:

All items listed on this Committee Report shall be the subject of one motion. Any member may ask for any item(s) included in the Committee Report to be separated from that motion, whereupon the Report of the Committee without the separated item(s) shall be put and the separated item(s) shall be considered immediately thereafter.

1. Water & Natural Gas Conservation Incentive Programs

That Utilities Kingston introduce a pilot conservation incentive program to commercial natural gas distribution customers.

2. Proposed Bill 151, Waste-Free Ontario Act

That this report be accepted for information on Bill 151, the Waste-Free Ontario Act and the accompanying draft Strategy for a Waste-Free Ontario: Building the Circular Economy; and

That Council endorse and support the comments, considerations and recommendations listed in Appendix A in regards to Bill 151, the Waste-Free Ontario Act and the accompanying draft Strategy for a Waste-Free Ontario: Building the Circular Economy to establish the City's position on Bill 151; and

That staff submit, upon endorsement by Council, Appendix A to the Minister of the Environment and Climate Change and the MPP of Kingston and the Islands.

(Appendix A is attached as schedule pages 122-125)

3. Removal of Coloured Expanded Polystyrene from the Blue Box Program

That Council endorse the letter in Appendix A that will be sent to the major grocers and butcher retailers in Kingston to provide them with the details on the removal of coloured Styrofoam, specifically meat trays in the recycling program and request that they use white Styrofoam meat trays where possible to ensure that residents are able to recycle the packaging.

(Appendix A is attached as schedule page 126)

4. Integrated Waste Management Study – Alternative Technologies for Processing Residual Municipal Solid Waste

That alternative residual waste processing technologies and opportunities to seek and aggregate additional waste from neighbouring municipalities and/or the local industrial, institutional and commercial (IC&I) sector not be pursued by the City at this time based on the proposed Waste-Free Ontario Act and accompanying draft Strategy for a Waste-Free Ontario: Building the Circular Economy; and

That the City continues with the current residual waste disposal arrangements until January 31, 2020, with an option to extend the agreement for an additional year at the sole discretion of the City; and

That staff identify the City's waste management hierarchy and request options for both landfill and non-landfill, alternative residual waste processing technologies in the preparation and release of the next Request for Proposal (RFP) for transfer, transportation and disposal of municipal solid waste as options exist and are available in the province, but outside of the Kingston area.

5. Kingston Environmental Advisory Forum (KEAF) Working Group Terms of Reference

That the mandate of Kingston Environmental Advisory Forum (KEAF) as described within By-Law 2010-205 (as amended) be updated as described within Exhibit A of this report in order to formalize the terms of reference by which the working groups of KEAF shall operate; and

That a by-law be presented to Council to amend By-Law No. 2010-205 to remove the "Working Groups" section of Schedule B-2 in its entirety, and replace it with a new section as set out in Exhibit A to this Report.

(Exhibit A is attached as schedule pages 127-129)

That the closed road allowances described as portions of Fraser Street and Duff Street on Registered Plan C-22 more particularly described as Parts 1 to 3 and Parts 16 to 28 on Plan 13R-21130 be declared surplus to municipal need and sold to PNHD Developments Inc. for the sale price of \$10,000.00 to be included as part of the Agreement of Purchase, Sale & Redevelopment; and

That each road closure by-law receive its third reading only after the developer has received planning approvals from the City.

2/3 Vote of Council required

2. Moved by Councillor Holland
Seconded by Councillor Neill

Whereas oral health has long been acknowledged as a critical component of overall health and untreated dental issues can lead to significant health problems such as heart disease, chronic inflammation, and in severe cases, sepsis; and

Whereas financial barriers and lack of dental benefits reduce access to dental care for Kingston residents living under the Low Income Cut Off (LICO) and untreated oral health conditions can lead to tooth loss and decay that can lower self-esteem and limit employment options; and

Whereas the Kingston Community Health Centre (KCHC) currently works with dentists to provide assistance when possible, but cannot meet all the needs of those who cannot afford care on an ongoing basis, resulting in an increased number of residents seeking treatment in hospital emergency rooms; and

Whereas the Dental Week Project is a community-based fundraising goal to "buy" a dental practice (chair, staff, and supplies) for one week at a cost of \$10,000 and businesses and organizations are being asked to match pledges to meet and expand upon the one week target;

Therefore Be It Resolved That the Chief Administrative Officer be requested to contribute \$10,000 for the City of Kingston to the Dental Week Project in 2016 from current budget funds, to assist with the provision of free dental care to residents without coverage who are living under the LICO.
