What happens if you don't pay your parking fines?

A failure to pay parking fines may result in:

- An increase in fine costs;
- Denial of your vehicle license plate renewal by the Ministry of Transportation;
- Application of Scofflaw — towing/removal of vehicles with excessive unpaid fines.

The life of a parking ticket

Parking tickets don't disappear. Do you know that a \$15.00 early payment for parking at a time expired meter can quickly grow to become very expensive? For example:

Early Payment (within 7 days)	\$15.00
Set Fine (8-49 days)	\$20.00
Fine at 50 days	\$36.00
Fine at 106 days	\$76.00

At 106 days, fines are eligible to be sent to the Ministry of Transportation for collection. Failure to pay fines will result in denial of your licence plate renewal.
