“resident” means a person who has a regular place of business in the City.
2. **Application:**

2.1 The requirements of this by-law apply to every person who carries on business in the following trades and occupations, except where exempted by section 5 of this by-law:

- electrical contractor;
- plumbing contractor;
- master electrician;
- master plumber.

2.2 The requirement to obtain a licence applies to every trade and occupation described in section 2.1, regardless of whether it is being carried on wholly or partly within the City, and even if it is being carried on from a location outside the City.

3. **Administration:**

3.1 The Building and Licensing Division and the Plumbers’ and Electricians’ Joint Examining Board are responsible for the administration and enforcement of this by-law.

3.2 Every application for a new licence or a renewal of an existing licence under this by-law shall be submitted to the Division in the form provided.

3.3 Every application for a new licence or a renewal of an existing licence shall be accompanied by the applicable licence fee and by all documentation and other information that is needed to determine whether the applicant is eligible to apply for a licence in that trade or occupation.

3.4 Where two or more persons propose to carry on business as a partnership, their application shall include the name and address of each member of the partnership even though the licence, if approved, will be issued in the name of one partner only.

3.5 Every application for a new licence will be reviewed to determine whether it meets all general requirements set out in Part 4 and the special conditions set out in the Schedule to this by-law which applies to that trade or occupation.

3.6 If it is determined that an application for a new licence meets these requirements, the Division will issue the licence.

3.7 In the event that a licence is subsequently lost or destroyed, the Division may, after reviewing the circumstances, issue a replacement licence to the licensee upon receipt of the applicable fee, as set out in Schedule 1.

3.8 If it is determined that an application for a new licence does not meet the requirements of the by-law, the Division will refuse to issue the licence.

3.9 Every application for the renewal of a licence will be renewed if the applicant:

   (1) has paid the applicable licence fee;
   (2) has filed all necessary documentation and other information; and
(3) has carried on business in the trade or occupation in compliance with the requirements of this by-law and in a manner that affords reasonable cause to believe that the licensee will continue to carry on business in compliance with the requirements of this by-law, with all applicable law, and with honesty and integrity.

3.10 If it is determined that an application for a renewal of a licence does not fulfil the requirements set out in section 3.9, the Division will refuse to renew the licence.

3.11 A person holding an electrical contractor's or plumbing contractor's licence who does not renew the licence on or before December 31\textsuperscript{st} of the year for which it was issued shall be required to pay a late payment fee, as set out in Schedule 1, in addition to the annual licence fee.

3.12 The licence of a person holding a master electrician's or master plumber's licence which is not renewed on or before March 31\textsuperscript{st} of the year subsequent to the year for which the licence was issued shall be deemed to have expired.

3.13 In the event that a licence expires in accordance with section 3.12, the person who holds the expired licence shall be required to submit an application for a new licence and will be subject to all requirements that apply to such applications.

3.14 Every licensee or another person acting on the licensee's behalf shall notify the Division in writing within 14 days of any of the following events:

(1) retirement of the licensee from business;
(2) death of the licensee;
(3) sale, transfer or termination of the business; or
(4) where the licence was obtained on the basis of an employee's certificate, the termination of that employee's employment.

3.15 A licensee who is unable to carry on business in the trade or occupation because of health problems or another person acting on the licensee's behalf may surrender the licence voluntarily to the Division together with a medical certificate or statutory declaration that provides evidence of the circumstances.

3.16 A licensee whose licence has been surrendered voluntarily in accordance with section 3.15 must, before resuming business, submit a medical certificate to the Division from a qualified medical practitioner certifying that the licensee is fit and able to resume carrying on business in the trade or occupation.

3.17 Upon receipt of the medical certificate, the Division will:

(1) if the licence has not expired, reinstate or return it to the licensee;
(2) if it has expired and the medical certificate is submitted between January 1\textsuperscript{st} and June 30\textsuperscript{th}, renew the licence for the current calendar year, without penalty, upon the payment of the annual licence fee; or
(3) if it has expired and the medical certificate is submitted after June 30th, renew the licence for the current calendar year, without penalty, upon payment of 50 per cent of the annual licence fee.

3.18 If the City determines that the insurance required by a licensed electrical contractor or a plumbing contractor is due to expire on a certain date, the Division will suspend the licence coincidentally with the expiry of the insurance unless the licensee files further proof of insurance by the end of office hours on the date of expiry.

3.19 The Division will, upon determining that the insurance of a licensee is due to expire, notify the electrical contractor or plumbing contractor that his or her licence will be suspended unless further proof of insurance is filed on or before the date of expiry.

3.20 If, at any time, the Division determines, as a result of evidence that is provided, that a licensee is not carrying on business in a trade or occupation in compliance with the requirements of this by-law, it may suspend or revoke the licence in accordance with sections 7.1 and 7.2.

3.21 A person whose application for a new licence or a renewal of a licence has been refused, or whose licence has been suspended or revoked may, within fifteen days of being notified of the decision, apply to the Appeals Committee for a review of the decision.

3.22 Despite section 3.21, the review of a refusal to permit a person to sit for a Master’s examination shall be conducted by the Examining Board in accordance with Schedule 2 of this by-law, and its decision is not subject to review by the Appeals Committee.

3.23 A person who has applied under section 3.21 for a review of a decision will be given an opportunity to make written representations to or to appear before the Appeals Committee when it reviews the matter.

3.24 The Appeals Committee will review the matter at its next meeting, and may confirm the decision, or direct the Division to issue, renew or reinstate the licence.

3.25 Decisions of the Appeal Committee under section 3.24 are final.

3.26 There will be no refund to a licensee or former licensee of all or any portion of the licence fees in the event of the suspension or revocation of a licence.

4. **General Licensing Requirements:**

4.1 No person shall carry on business within the City in a trade or occupation described in section 2.1 unless that person holds a valid licence from the City for that trade or occupation.

4.2 A person is not eligible to hold a licence if he or she provides misleading, false or incorrect information for the purposes of obtaining, renewing or retaining a licence.

4.3 A person is not eligible to hold a licence unless that person has paid the licence fee for that trade as set out in Schedule 1.
4.4 A person is not eligible to hold a licence unless he or she complies with all of the requirements of this by-law, including the special conditions set out in the Schedule to this by-law that applies to the trade or occupation.

4.5 A person is not eligible to hold a licence as an electrical contractor or plumbing contractor unless he or she maintains, without any lapse in coverage, insurance in accordance with section 8 of Schedule 3 of this by-law.

4.6 A licence is valid for one calendar year only and every licensee is required to submit an application for a renewal of his or her licence by December 31st of each year, together with the applicable licence fee.

4.7 A licensee shall not transfer his or her licence to another person without the approval of the Division, and an application for a transfer will be subject to the same requirements as an application for a new licence for that trade.

4.8 No person shall carry on business in a trade for which a licence is required under this by-law: (1) if the licence has expired or been revoked; or (2) while the licence is under suspension or has been voluntarily surrendered to the Division.

4.9 Every licensee shall carry his or her licence at all times and, where applicable, display evidence of the licence on the vehicles and other property used for the purposes of the business in accordance with Schedule 3 of this by-law.

4.10 Every licensee shall produce the licence for inspection upon the request of an authorized employee or agent of the City.

4.11 Every licensee shall allow, at any reasonable time, an authorized employee or agent of the City to inspect his or her place of business and any other premises, other than a place actually being used as a dwelling, equipment, vehicles and other personal property used for the business, to determine whether the requirements of this by-law are being complied with, and no person may obstruct, hinder or otherwise interfere with such an inspection.

4.12 Every licensee shall carry on business in the trade in compliance with the requirements of this by-law, with all applicable law, and with honesty and integrity.

4.13 Every licensee shall be responsible for the acts of any person employed by or associated with the licensee in carrying on business in the trade in the same manner and to the same extent as though such acts were done by the licensee.

4.14 No licensee shall permit his or her name to be used by any other person, whether licensed or unlicensed, for the purposes of promoting that person’s business.
5. **Exemptions:**

5.1 The requirements of this by-law do not apply to:

(1) Persons who do electrical or plumbing work in the course of their employment with the City, Utilities Kingston and its subsidiary companies, or any local board of the City;

(2) Persons who replace hot water tanks and who hold valid certificates of qualification to do this work under the *Technical Standards and Safety Act, 2000*;

(3) Persons who maintain, service or replace mechanical or electrical components and accessories that form part of an appliance;

(4) Persons who drill and service water wells;

(5) Persons who are qualified to install, repair, service, clean and empty septic systems in accordance with the requirements of the *Ontario Building Code*; or

(7) Persons who do electrical or plumbing work solely on residential premises which they occupy or plan to occupy as a dwelling unit.

5.2 Institutions whose employees do electrical or plumbing work in the course of their employment are not required to obtain master electrician or master plumber licences for these employees.

5.3 Despite section 5.2, every institution shall employ, for its internal electrical and plumbing work, a licensed master electrician and master plumber, and shall provide the name of these persons each year to the Building and Licensing Division.

5.4 As an alternative to meeting the requirement set out in section 5.3, an institution may engage the services of a licensed electrical contractor and plumbing contractor for its internal electrical and plumbing work.

6. **Schedules:**

6.1 The following Schedules are attached to and form part of this By-law:

- **Schedule 1** Licence Fees
- **Schedule 2** Plumbers' and Electricians' Joint Examining Board
- **Schedule 3** Electrical Contractors and Plumbing Contractors
- **Schedule 4** Master Electricians and Master Plumbers

7. **Offence And Penalty Provisions:**

7.1 Any licensee who does not carry on business in a trade in compliance with the requirements of by-law shall be subject to the following penalties:

(1) For the first occurrence – a one month suspension;

(2) For misrepresentation or fraudulent behaviour in dealing with customers -- a three month suspension; and

(3) For more serious misrepresentation, misconduct, or breach of a licensee’s obligations -- a six month suspension.
7.2 The length of the suspensions described in section 7.1 may be doubled in the event of a second occurrence and tripled in the event of a third occurrence, and a licensee’s licence may be revoked in the event of continuing occurrences.

7.3 Any person who contravenes the provisions of this by-law is guilty of an offence and, upon conviction, is subject to a fine as provided in the Provincial Offences Act and to any other applicable penalties.

7.4 If this by-law is contravened and a conviction entered, the court in which the conviction has been entered and any court of competent jurisdiction thereafter may, in addition to any other remedy and to any penalty that is imposed, make an order prohibiting the continuation or repetition of the offence by the person convicted.

7.5 If this by-law is contravened and a conviction entered, the court may also order that the premises or part of the premises be closed to any use for a period not exceeding two years.

8. **Validity:**

8.1 If a court of competent jurisdiction declares any provision, or any part of a provision, of this by-law to be invalid, or to be of no force and effect, it is the intention of Council in enacting this by-law that each and every provision of this by-law authorized by law be applied and enforced in accordance with its terms to the extent possible according to law.

9. **COMMENCEMENT:**

9.1 This By-law comes into force on December 31, 2002.

9.2 In accordance with subsection 150(13) of the Municipal Act, 2001, this by-law expires five years after it comes into force.

   a. within seven days of the date of the completion of the review hearing; or
   b. if a transcript of the review hearing is requested, within seven days of the date of the receipt of the transcript by the Examining Board.

15. The Division will notify the applicant of the decision immediately by sending a copy by personal notice or registered mail.

16. The decision of the Examining Board on this matter is final and binding.

### Appendix A

**To Schedule 2: Rules and Regulations for the Examination of Applicants**

1. An applicant wishing to write a Master Electrician’s or Master Plumber’s examination shall be in possession of a valid certificate of qualification in the trade of electrician or plumber, and shall provide evidence that he or she has held such certificate for a minimum of two years.

2. Any person who applies to write the exam shall complete and sign the application form and file it, along with the examination fee of $125.00, with the Building and Licensing Division. The Division will forward it to the Examining Board between the first and fifteenth days of the months during which examinations are to be held.

3. The Division will, upon receipt of an application and the examination fee, make or cause to be made all investigations required under this by-law.

4. Upon completion of such investigations, the applicant will receive a written notice from the Division if he or she is to be permitted to sit for the examination, indicating the date, time and place of the examination.

5. No applicant shall be examined unless the Division has received the examination fee of $125.00.

6. Examinations will be held quarterly in every year, or as required by the Examining Board.

7. The Examining Board has the sole responsibility for determining the nature of the examinations, the specific dates and times at which examinations will be held, and all other matters in connection with the examinations.

8. Examinations will be supervised by the person or persons appointed by the Examining Board.
9. At least two members of the Examining Board or two other persons will be appointed by the Examining Board as Examiners to conduct and mark the examinations without interference, and all Examiners shall be qualified electricians or plumbers, depending on the examination.

10. An applicant who takes the examination shall obtain a mark of at least 70 percent to be qualified for a Master Electrician's or Master Plumber's licence.

11. Subject to the provisions of subsections 8 to 16 of Schedule 2, the decision of the Examiners who are appointed under section 9 is final as to whether an applicant has sufficient experience and knowledge to receive a passing mark and is qualified for a Master's Licence.

12. Applicants will be examined as to their ability to perform:

   a. In the case of the electrical examination, electrical work as defined in this by-law; the examination will be based on the applicants' knowledge of practical work being carried out in accordance with the electrical code requirements, and other related provincial and municipal regulations and by-laws; or

   b. In the case of the plumbing examination, plumbing work as defined in this by-law; the examination will be based on the applicants’ knowledge of practical work being carried out in accordance with the plumbing code requirements, and other related provincial and municipal regulations and by-laws.

13. An applicant may, if good cause is provided to the Chair of the Examining Board, be excused from attending one examination without having to file a new application, but an applicant will not be excused from a second examination.

14. Where an applicant is excused under section 13, the fee will not be forfeited.

15. Where an applicant who has not been excused under section 13 misses an examination, the fee shall be forfeited and the application shall be null and void.

16. Every Examiner who is appointed under section 9 to conduct and mark examinations, other than an employee of the City, will be paid a fee of $75.00 for each paper that is marked.

17. The fee will be paid by the City when the Examiners appointed under section 9 submit accounts for payment which have been approved by the Examining Board.
