7.2 Bids are required to conform to the conditions listed below:

- ii) Bids must be complete, legible, written in ink or typed, with the unit price for each item and other entries clearly shown, unless the Tender specifically permits otherwise.

- iv) The Bid must be properly labeled indicating the Tender number, closing date and return address provided on the face of the Tender package in a sealed envelope without any extra exterior covering. The name and address of the Prospective Vendor shall be clearly indicated on the envelope.

(By-law Number 2000-134; 2006-211)

- v) Bids must be signed and initialed in the space(s) provided on the form, with the signature of the Prospective Vendor, or of a responsible official of the Prospective Vendor. If a Bid is submitted jointly by more than one person, it must be signed on behalf of each of the joint parties to the Bid, and if the signing authority for both Prospective Vendor is vested in one individual, he shall sign separately on behalf of each. Where the person submitting a Bid is an incorporated company, the corporate seal must be affixed to the Bid and/or the Bid shall confirm that the officer signing the Bid is authorized to bind that corporation. Where pre-qualification is used, the Bid must be submitted under the same name of the Prospective Vendor or group of Prospective Vendors that have been approved through pre-qualification.

(By-law Number 2000-134; 2006-211)

- vi) Attempts to make adjustments by telephone, facsimile or letter for a Bid already received will not be received, considered or included in the competition in any way. A Prospective Vendor desiring to make adjustments to a Bid must withdraw the submission and supersede it with another Bid.

7.5 The requirements of Sections 7.2 and 7.3 shall be included as part of the Form issued for each Tender.

8.0 Tendering – Bid Withdrawal

8.1 Any Prospective Vendor who has submitted a Bid may request that it be withdrawn. Adjustments or corrections to a Bid will not be allowed. Withdrawal shall be allowed if the request is made prior to closing. Withdrawal requests must be directed to the Clerk by letter. A telephone or facsimile request to withdraw a Bid shall not be considered. The withdrawal of a Bid prior to closing does not disqualify that Prospective Vendor from submitting another Bid on the same Tender.

(By-law Number 2000-134; 2006-211)

8.2 Withdrawal requests received after closing will not be allowed. The Prospective Vendor concerned shall be informed that the withdrawal request arrived too late for consideration. However, when the Bids are read out at the Bid opening, and if it is the lowest Bid, the Prospective Vendor making that low Bid may then proceed in accordance with Section 8.4.

8.3 At the conclusion of the reading out of all Bids, a Prospective Vendor which has made the low Bid in a set of related Tenders may withdraw any of his remaining Bids on other related Tenders. Withdrawn Bids under this procedure cannot be reinstated.

- 8.4 Any Prospective Vendor proceeding under 8.3, shall attest in writing to his identity and identify the Bids to be withdrawn. The notice of withdrawal must be signed by that Prospective Vendor. This notice must be handed to the Clerk before the reading out of the first Bid on the next related Tender to be opened. The Clerk shall attach it to the applicable submission.
- 8.5 Any Prospective Vendor proceeding under 8.3 cannot reinstate the withdrawn Bid if subsequent review proves that the low Bid was not, in fact, the low Bid.
- 8.6. When, during the opening of Bids, the Clerk receives a Bid that has a notice or other correspondence requesting withdrawal attached, the Clerk shall read out the Bid number and the name of the Prospective Vendor and indicate to those in attendance that the Bid previously announced will be withdrawn at the request of that Prospective Vendor. The Prospective Vendor's name for each withdrawn Bid shall be recorded immediately following the names of the other Prospective Vendor whose submissions will be considered, noting the method and date of withdrawal.

9.0 Tendering – Opening and Award Process

- 9.1 Bids submitted in response to a Tender shall be received in accordance with the following practice:
- i) A secure facility shall be maintained under the control of the Clerk for the reception and safekeeping of Bids.
 - ii) Late Bids shall not be received. When a Bid is received, the envelope shall be time and date stamped. If a time stamp is not available, the time received shall be noted in ink and initialed by the Clerk or designate. Bids shall be deemed received when the envelope has been stamped with the time and date of receipt by the Clerk or designate. Bids shall be placed unopened in the secure facility after they are stamped.
(By-law Number 2000-134; 2006-211)
 - iii) Regardless of the time a Bid is received, the envelope shall be time and date stamped. Bid submitted after closing shall be returned unopened to the Prospective Vendor. Each Bid to be returned by mail shall be accompanied by a covering letter.
 - iv) If a late Bid is received without a return address on the envelope, the envelope shall be opened, address obtained, the envelope resealed and then returned accompanied by a covering letter stating why the envelope could not be returned unopened.
 - v) Any correspondence, pertaining to adjustments, corrections or restrictions to a Bid, which is received with a Bid, but outside the submission envelope, or is received after a Bid has been submitted, but prior to closing, shall not be considered.

9.2 The following provisions apply to the opening and awarding of all Tenders:

- i) All Bid openings shall be public.
- ii) Any Bid that does not have the Tender number on the envelope shall be opened and placed with its appropriate Tender if the Tender number is identified in the Bid documents.
- iii) If correspondence is found enclosed with a Bid within the sealed envelope which, in the sole opinion of the Clerk, could make the Bid conditional in any way, that submission shall be considered improper and shall be so noted in the record.
- iv) When Bids are opened, and identified, the Clerk shall announce, the Tender number, and the number of Bids received, the name of each Prospective Vendor and total amount of each Bid, and confirmation of inclusion of bid bond and/or cheque simultaneously recording the name of each Prospective Vendor, the Bid amount and the Bid Bond amount on a Bid opening Form.
(By-law Number 2000-134; 2006-211)
- v) During the reading out of Bids, the Clerk shall check for more than one Bid from the same Prospective Vendor. Where no notice of withdrawal to a multiple Bid from one Prospective Vendor is found, each Bid shall be documented and referenced in a manner as "A", "B", "C", etc., and shall be dealt with as normal Bids.

9.3 After opening, each Bid shall be reviewed by the Buyer to determine whether,

- i) all requirements of the Tender have been met
- ii) all unit prices have been correctly extended,
- iii) the extensions have been correctly totaled

- 9.4 Bids which fall within the following categories must be rejected and will not be considered:
- i) late Bids
 - ii) Bids not completed in ink or typed.
 - iii) part Bids, except when the instructions clearly state that an award may be made for individual items.
 - iv) If a Bid is made conditional by a statement added to the Bid form or a covering letter, or alterations are made to the Bid form, unless the change was requested by the City in the Tender or by an addendum.
 - v) Bids that are not properly signed and sealed or signed and accompanied by a statement that the officer signing the Bid is authorized to bind the corporation.
 - vi) Bids where erasures, overwriting or strikeouts have not been initialed.
 - vii) If the Bid Bond is not submitted.

Following the opening of all Bids, the Clerk shall return all Bid Bonds other than the low and second low Bids, to the relevant Prospective Vendors by regular mail upon notification by the Buyer. Otherwise, Bids shall be retained on file.

- 9.5 Following the opening of all Bids, the initiating Department shall inform the successful Vendor that its Bid has been accepted, and notify all other Prospective Vendors of the award and the name of the successful Vendor.
- 9.6 The Buyer shall coordinate the preparation of the terms of the Contract in a form acceptable to the Legal Services Department. The Vendor shall be allowed ten (10) working days between the date of mailing the unsigned Contract, and the date the executed Contract must be returned to the Legal Services Department. Copies of the executed Contract will be distributed to the Buyer and the Clerk.
(By-law Number 2000-134; 2006-211)
- 9.7 When copies of the Contract executed by the Vendor are returned and are acceptable to the Legal Services Department, the Tender Bid Deposit(s) of the second low Bidder shall be returned by registered mail.
(By-law Number 2000-134; 2006-211)
- 9.8 Unless stated otherwise in the Tender documents, the City shall require both a Performance Bond and a Labour and Material Payment Bond each equal to 50% of the Bid, or other amounts when conditions warrant, issued by an approved Guarantee Company properly licensed in the Province of Ontario, on Canadian Construction Documents Committee (CCDC) bond forms acceptable to the City.

9.8 cont'd

The City will accept 100% of the amount of the Bid in the form of cash, certified cheque or an irrevocable standby letter of credit in the approved format from a chartered bank, or a Letter of Guarantee acceptable to the City Treasurer issued by a trust company. There may be instances where it is desirable to obtain bonding to the extent of 100% of the Bid amount to be determined on the recommendation of the Buyer in consultation with the Finance Services Department. These securities must be furnished by the contractor before the Contract can be executed.

(By-law Number 2000-134; 2006-211)

- 9.9 Where a Vendor fails to sign the Contract or to provide the necessary security within the specified time pursuant to section 9.6, the Purchasing Coordinator or Buyer in consultation with the Legal Services Department may grant additional time to fulfill the necessary requirements or may recommend to Council, in consultation with the Buyer, that the Contract be awarded to the next lowest Bid or the offer of award be revoked. In either case, the Bid Bond of the low Bidder shall be forfeited and deposited by the City.

(By-law Number 2000-134; 2006-211)
