New Motions

Council consented to the addition of new Motion 2.

1. Moved by Mayor Paterson
   Seconded by Councillor Holland

   Whereas fostering open government and enhancing engagement across the
   community paired with committee and council meetings has increased the
   demand and workload of Councillors in the City of Kingston; and

   Whereas a proactive conversation about this increasing demand and workload of
   the Mayor and District Councillors should include a review of all options including
   full time or part time positions; and
Whereas a Citizen Committee to Review Council Remuneration will be created with a mandate to review the current compensation paid to the Mayor and Members of Council; and

Whereas the membership of this committee will be comprised of a wide range of perspectives including a member of the business community, a member of the healthcare community, a member of the non-profit sector, a member of the educational community, a member of the organized labour community, two community members, and one former Member of Council (elected after 2006); and

Whereas the Citizen Committee to Review Council Remuneration would be well suited to review and make recommendations based on the current demand and workload of the Mayor and District Councillors, taking into account best practices in other municipalities;

Therefore, be it resolved that the mandate of the Citizen Committee to Review Council Remuneration include all options from part-time to full-time for Mayor and District Councillors in the City of Kingston, together with other options to ease workload.
