Public Open House for the Clogg’s Road Area Secondary Plan

**What:** Drop-in open house and information session  
**When:** Tuesday, May 29, 2018  
Drop in any time between 4:00-6:30 p.m.  
**Where:** INVISTA Centre, 1350 Gardiners Road, Meeting Room A

**Study area**

The Clogg’s Road Area is located south of Highway 401, west of Gardiners Road, north of Creekford Road, and east of Collins Creek (please refer to the attached map). It includes some existing residential homes, industrial uses, and natural environmental features, as well as a great deal of vacant land, mostly owned by the City.

**Purpose of the secondary plan**

The City of Kingston’s Official Plan identifies the area as a business district, intended to accommodate employment uses. A secondary plan is required to understand opportunities and address issues related to its future land use before moving ahead with any type of development.

**Purpose of the open house**

The City is seeking community input as it begins work on the secondary plan to guide the future of the Clogg’s Road Area. The open house event is planned as an informal information session. People may stop in at any time on May 29 between 4:00 and 6:30 p.m. to review information and ask questions of staff.

**Contacts**

For more information, please visit the project website at [www.cityofkingston.ca/city-hall/projects-construction/cloggs-road](http://www.cityofkingston.ca/city-hall/projects-construction/cloggs-road). Information from the open house will also be posted on the website following the May 29 event. If you are unable to attend the open house, or have any questions, please feel free to contact staff:
