New Motion

1. Moved by Mayor Paterson
   Seconded by Councillor Neill

   Whereas the 2018 municipal election ballot included a Referendum Question
   asking electors if they would be in favour of using Ranked Ballot Voting to elect
   the Mayor and District Councillors in the City of Kingston; and

   Whereas the Municipal Elections Act requires that 50% of eligible electors vote
   on the Referendum Question in order for the results to be “binding”; and

   Whereas 32,803 electors, or 39.2% of eligible electors, voted on the Referendum
   Question of which 62.9% were in favour of using Ranked Ballot Voting to elect
   the Mayor and District Councillors in the City of Kingston; and

   Whereas Council could still decide to implement Ranked Ballot Voting even
   though the results of the Referendum Question are not “binding”; and

   Whereas Council, at its meeting held on November 15, 2016, directed “the City
   Clerk to monitor the use of ranked ballot elections throughout Ontario for the
   2018 municipal election and report back to Council in 2019 with a report that
   outlines the experiences of other jurisdictions that used ranked balloting in their
   2018 municipal election”; and

   Whereas the City of London, Ontario was the only municipality to use Ranked
   Ballot Voting in 2018 and City staff had some preliminary discussions with
   London with respect to the potential costs to conduct a Ranked Ballot Election; and

   Whereas, in accordance with Council’s direction, staff will be following up with
   London to obtain further information with respect to London’s experiences with
   Ranked Ballot Voting; and

   Whereas the results of the Referendum Question demonstrate that a clear
   majority of the electors voting in the 2018 municipal election are in favour of
   Ranked Ballot Voting to elect the Mayor and District Councillors and Council is of
   the opinion that the results of the Referendum Question be respected and acted
   upon;

   Therefore Be It Resolved That staff be requested to initiate the process to
   implement Ranked Ballot Voting to elect the Mayor and District Councillors in the
   2022 municipal election recognizing that the required Ranked Ballot Voting By-
   law would have to be passed by May 1, 2021; and

   That staff be requested to provide a report on the experiences of the City of
   London to Council by the end of Q2 2019 and that said report provide a high
   level analysis that can assist in the implementation of Ranked Ballot Voting in the
   City of Kingston.
