New Motions

1. Moved by Councillor Holland
Seconded by Councillor M^cLaren

Whereas local public health agencies provide essential programs in Kingston and offers a return on investment at a rate of 1 to 14, saving the province of Ontario approximately \$2.8 billion in future acute care costs; and

Whereas the Board of KFL&A Public Health and the Medical Officer of Health are working in collaboration with the Association of Local Public Health Agencies and have asked for support from municipal partners in maintaining the current level of service provided by our local public health agency;

Therefore Be It Resolved That the City of Kingston affirm its support for KFL&A Public Health and its dedicated staff; and

That the City of Kingston request the Province of Ontario maintain and augment the health protection and prevention mandate of KFL&A, maintain the current 75 percent provincial, 25 percent municipal funding formula for KFL&A Public Health; and

That the City of Kingston request the Province of Ontario stop the planned reduction of Ontario public health units from 35 to 10 and planned reduction of \$200 million from public health, and instead initiate consultations with municipalities and public health agencies on the public health system in Ontario; and

That this motion be shared with Ian Arthur, MPP Kingston and the Islands and Randy Hillier, MPP Lanark-Frontenac-Kingston, and Daryl Kramp, MPP Hastings-Lennox and Addington.

2. Moved by Councillor Chapelle
Seconded by Councillor Oosterhof

Whereas radiocommunication facilities are regulated and approved under the authority of Industry Canada; and

Whereas Industry Canada requires proponents to consult with municipalities; and

Whereas the City of Kingston became a member of the Canadian Radiocommunications Information and Notification Service / Service d'Information et de notification en radiocommunications canadienne (CRINS-SINRC) in 2016; and

Whereas CRINS-SINRC processes radiocommunication facility proposals on the City's behalf, including the public consultation component; and

Whereas Section 12 of By-Law Number 2006-75, "A By-law to Delegate Various Planning Approvals to Staff and to Adopt Certain Procedures for the Processing of Planning Applications Subject to Delegated Authority", as amended, states that City Council shall retain all powers and authority with respect to the issuance of a municipal statement of concurrence for radiocommunication facilities when referred by the Director of Planning, Building and Licensing Services, and all powers and authority with respect to the issuance of a municipal statement of non-concurrence for radiocommunication facilities; and

Whereas proposals for radiocommunication facilities at 1138 Sydenham Road and 1245 Midland Avenue have raised concerns among residents because of the proximity of the proposed structures to existing residential dwellings;

Therefore Be It Resolved That the CRINS-SINRC reports that are prepared for the properties at 1138 Sydenham Road and 1245 Midland Avenue be brought

forward to Council for a decision regarding the municipal statement of concurrence or non-concurrence.

3. Moved by Councillor M^cLaren
Seconded by Councillor Hill

Whereas the aggression carried out with assault weapons or handguns in the committing of crimes and massacres across Canada would have been much diminished and lives saved had such guns not been available to the perpetrator; and

Whereas in 2018 the Toronto and Montreal City councils passed resolutions requesting the federal government to prohibit the availability, sale, private possession of handguns, assault rifles and semiautomatic guns in Canada, with the exception of police services or other law enforcement entities; and

Whereas Canada has been victimized by instances of mass murder where the perpetrator had use of assault weapons; and

Whereas Bill C-71, currently does not prohibit private possession of assault weapons or handguns; and

Whereas according to Statistics Canada, violent crimes involving weapons increased by 33% between 2013 and 2016, and that 60% of these crimes involve handguns; and

Whereas, according to police and provincial authorities across the country, legally purchased firearms are now the source of the majority of weapons seized in the context of criminal activities, having been stolen from legal owners or illegally sold; and

Whereas the report published by Statistics Canada on November 22, 2017 specifies that the number and rate of homicides committed with guns has increased for a third consecutive year in Canada; and

Whereas according to the Canadian Woman's Foundation, in Canadian households the presence of firearms in the home is the single greatest risk factor for lethality of domestic violence; and

Whereas the Association of Canadian Police Chiefs have historically taken positions for better gun control in Canada;

Therefore Be It Resolved That the City Council of Kingston ask the federal government to strengthen Bill C-71, including the prohibition of the private possession of assault weapons, semi-automatic weapons, and handguns, with the exception of police services or other law enforcement entities; and

That this motion be shared with the Right Honorable Justin Trudeau, Prime Minister of Canada, the opposition party leaders, the minister and critics of Public Safety and Emergency Preparedness; and

That this motion be shared with the Premier of Ontario, the provincial opposition party leaders and our MPPs, Randy Hilliard and Ian Arthur.
