Dear Sir/Madam:

RE: Proposed Zoning By-Law Amendment for Property Located at 60
Collingwood Street (City File No: D14-009-2019)

We write this letter to express our strong opposition to amend the Zoning-By-Law to rezone the property to permit three dwelling units within the existing structure. The Collingwood Street area is currently designated as a Residential zone for building one Family and Two Family dwellings and we do not support any change of the Zoning-By-Low at this time.

Sincerely,
