Physical Distancing on Elevators

Keep a distance of **2 metres (6 feet)** on elevators from others.

Due to the size of this elevator, there should only be **two people** on the elevator at a time.

People that live together may ride the same elevator.

Take the stairs or wait for the next elevator.

Avoid touching your face after pushing the button.

Wash hands with soap and water or use an alcohol-based hand sanitizer after leaving the elevator.
