Management's Responsibility for the Consolidated Financial Statements

The accompanying consolidated financial statements of the Corporation of the City of Kingston (the "City") are the responsibility of the City's management and have been prepared in compliance with legislation, and in accordance with Canadian public sector accounting standards. A summary of the significant accounting policies are described in Note 1 to the consolidated financial statements. The preparation of financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

The City's management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the consolidated financial statements. These systems are monitored and evaluated by management.

The Administrative Policies Committee meets with management and the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to council approval of the consolidated financial statements.

The consolidated financial statements have been audited by KPMG LLP, independent external auditors appointed by the City. The accompanying Independent Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the City's consolidated financial statements.

INDEPENDENT AUDITORS' REPORT

To the Members of Council, Inhabitants and Ratepayers of the Corporation of the City of Kingston

We have audited the accompanying consolidated financial statements of the Corporation of the City of Kingston, which comprise the consolidated statement of financial position as at December 31, 2014, the consolidated statements of operations, changes in net assets (debt) and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Corporation of the City of Kingston as at December 31, 2014, and its consolidated results of operations and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

The Corporation of the City Of Kingston
Notes to Consolidated Financial Statements
Year Ended December 31, 2014

1. Summary of Accounting Policies:

The consolidated financial statements of the Corporation of the City of Kingston (the "City") are prepared by management in accordance with Canadian Public Sector accounting standards. Significant aspects of the accounting policies adopted by the City are as follows:

(a) Reporting Entity:

- i. The consolidated financial statements reflect the assets, liabilities, revenue and expenses of the reporting entity. The reporting entity is comprised of all organizations, committees and local boards which are accountable for the administration of their financial affairs and resources to the City and which are owned or controlled by the City. Interdepartmental and inter-organizational transactions and balances between these organizations have been eliminated.

These consolidated financial statements include:

Downtown Business Improvement Area
Kingston-Frontenac Public Library Board
Kingston & Frontenac Housing Corporation
Kingston, Frontenac and Lennox & Addington Public Health
(proportionately consolidated)
1425447 Ontario Limited (consolidated on a modified equity basis)
Kingston Hydro Corporation (consolidated on a modified equity basis)

- ii. Consolidated by proportionate consolidation:
Kingston, Frontenac and Lennox & Addington Public Health is accounted for using the proportionate consolidation method of accounting and reporting, whereby the municipality's pro-rata share of each of the assets, liabilities, revenue and expenses is combined on a line-by-line basis in the financial statements.
- iii. Consolidated on a modified equity basis:
The City's investment in 1425447 Ontario Limited and Kingston Hydro Corporation is accounted for on a modified equity basis, consistent with the generally accepted accounting treatment for government business enterprises. Under the modified equity basis, the business enterprises' accounting principles are not adjusted to conform to those of the City, and inter-organizational transactions and balances are not eliminated.

The Corporation of the City Of Kingston
Notes to Consolidated Financial Statements
Year Ended December 31, 2014

1. Summary of Accounting Policies (Continued):

(a) Reporting Entity (continued):

The City recognizes its equity interest in the annual income or loss of 1425447 Ontario Limited and Kingston Hydro Corporation in its consolidated statement of operations with a corresponding increase or decrease in its investment asset account. Any dividends that the City may receive from 1425447 Ontario Limited and Kingston Hydro Corporation will be reflected as reductions in the investment asset account.

iv. The charges for long-term liabilities assumed by consolidated entities or by individuals in the case of the drainage loans are reflected in the financial statements.

v. Accounting for school board transactions:

The taxation, other revenue, expenses, assets and liabilities with respect to the operations of the school boards are not reflected in the municipal fund balances of these financial statements.

vi. Trust funds:

Trust funds and their related operations administered by the City are not included in these financial statements but are reported on separately on the Trust Funds Statement of Continuity and Statement of Financial Position.

(b) Basis of Accounting:

Revenue and expenses are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenue in the period in which transactions or events occurred that gave rise to the revenue; expenses are recognized in the period the goods and services are acquired and/or there is a legal obligation to pay.

(c) Investments:

Short-term and long-term investments are recorded at cost plus accrued interest and amortization of purchase premiums and discounts. If the market value of investments becomes lower than cost and this decline in value is considered to be other than temporary, the investments are written down to market value.

The Corporation of the City Of Kingston
Notes to Consolidated Financial Statements
Year Ended December 31, 2014

1. Summary of Accounting Policies (Continued):

(c) Reporting Entity (continued):

Investment income earned on available current funds and reserve funds (other than obligatory funds) are reported as revenue in the period earned. Investment income earned on obligatory reserve funds is added to the fund balance and forms part of the respective deferred revenue balance.

(d) Deferred Revenue – Obligatory Reserve Funds:

The City receives restricted contributions under the authority of federal and provincial legislation and City by-laws. These funds by their nature are restricted in their use and until applied to applicable costs are recorded as deferred revenue. Amounts applied to qualifying expenses are recorded as revenue in the fiscal period they are expended.

(e) Deferred Revenues:

Deferred revenue represents certain user charges and fees which have been collected but for which the related services have yet to be performed. Deferred revenue also represents contributions that the City has received pursuant to legislation, regulation or agreement that may only be used for certain programs or in the completion of specific work. These amounts are recognized as revenue in the fiscal year the services are performed or related expenses incurred.

(f) Employee Future Benefit Obligations:

The City accrues for certain employee benefits which will require funding in future periods. These benefits include sick leave, life insurance, extended health and dental benefits for early retirees and benefits under the Workplace Safety and Insurance Board Act.

The costs of these benefits earned by employees are actuarially determined using management's best estimate of salary escalation, retirement ages of employees, accumulated sick days, expected health care costs and long term inflation rates and discount rates.

For self-insured retirement and other employee future benefits that vest or accumulate over the periods of service provided by employees, such as compensated absences and health, dental and life insurance benefits for retirees, the cost is actuarially determined using the projected benefits method prorated on service. Under this method, the benefit costs are recognized over the expected average service life of the employee group.

The Corporation of the City Of Kingston
Notes to Consolidated Financial Statements
Year Ended December 31, 2014

1. Summary of Accounting Policies (Continued):

(f) Employee Future Benefit Obligations (continued):

Any actuarial gains and losses, which can arise from changes in actuarial assumptions, are amortized over the expected average remaining service life of the employee group.

For those self-insured benefit obligations that arise from specific events that occur from time to time, such as obligations for workers' compensation and life insurance and health care benefits for those on disability leave, the cost is recognized immediately in the period the events occur. Any actuarial gains and losses that are related to these benefits are amortized over a period linked to the specific benefit plan.

(g) Landfill Closure and Post-closure Liabilities:

The municipality accrues landfill closure and post-closure care requirements that have been defined in accordance with industry standards including final covering and landscaping of the landfill, pumping of ground water and leachates from the site, and ongoing environmental monitoring, site inspection and maintenance. The reported liability has been recognized based on management's best estimate of future expenses, long term inflation rates and discount rates.

Future events may result in significant changes to the estimated total expenses, capacity used or total capacity and the estimated liability, and would be recognized prospectively, as a change in estimate, when applicable.

(h) Tangible Capital Assets:

- i. Tangible capital assets are recorded at cost, which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The City does not capitalize interest costs associated with the acquisition or construction of a tangible capital asset.
- ii. Tangible capital assets received as contributions are recorded at their fair value at the date of receipt or transfer with an offsetting amount recorded as revenue.

The Corporation of the City Of Kingston
Notes to Consolidated Financial Statements
Year Ended December 31, 2014

1. Summary of Accounting Policies (Continued):

(h) Tangible Capital Assets (continued):

- iii. The cost, less residual value, of the tangible capital assets is amortized on a straight line basis over estimated useful lives as follows:

Asset	Useful Life – Years
Land improvements	18 to 75
Buildings and structures	40
Vehicles, machinery and equipment	5 to 20
Furniture and fixtures	20 to 40
Transportation:	
Roads and related	18 to 50
Bridges and structures	60
Streetlights and traffic signals	35 to 40
Storm sewer networks	50
Water and sewer facilities:	
Building structures	50
Building fixtures	15
Electrical and mechanical equipment	10 to 25
Tankage	75
Water and sewer pipes	50 to 80
Water and sewer equipment, meters, hydrants, manholes	15 to 75
Gas facilities	40
Gas mains and services	50
Gas regulator stations & other equipment	5 to 20

One half of the annual amortization is charged in the year of acquisition and in the year of disposal. Assets under construction or development are classified as capital works in progress and are not amortized until the asset is available for productive use.

- iv. When tangible capital assets are disposed of, either by way of a sale, destruction or loss, or abandonment of the asset, the asset's net book value, historical cost less accumulated amortization, is written off. Any resulting gain or loss, equal to the proceeds on disposal less the asset's net book value, is reported on the consolidated statement of operations in the year of disposal. Transfers of assets to third parties are recorded as an expense equal to the net book value of the asset as of the date of transfer.

The Corporation of the City Of Kingston
Notes to Consolidated Financial Statements
Year Ended December 31, 2014

1. Summary of Accounting Policies (Continued):

(h) Tangible Capital Assets (continued):

- v. When conditions indicate that a tangible capital asset no longer contributes to the City's ability to provide services or the value of the future economic benefits associated with the tangible capital asset are less than its net book value, and the decline is expected to be permanent, the cost and accumulated amortization of the asset are reduced to reflect the revised estimate of the value of the asset's remaining service potential. The resulting net adjustment is reported as an expense on the consolidated statement of operations
- vi. The City has a capitalization threshold of \$10,000. Individual tangible capital assets of lesser value are expensed, unless they are pooled when, collectively, they have a significant value.

(i) Inventories:

Inventories for resale represent natural gas inventories and land held for resale, which are stated at the lower of weighted average cost and net realizable value. Costs with respect to land held for resale include amounts for improvements to prepare the land for sale or servicing.

Inventories of supplies held for consumption are stated at the lower of cost and replacement cost.

(j) Government Transfers:

Government transfers are recognized in the financial statements in the period in which the events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met and reasonable estimates of the amounts can be made.

(k) Use of Estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenditures during the period. Actual results could differ from those estimates. These estimates are reviewed periodically and as adjustments become necessary, they are recorded in the financial statements in the period in which they become known.

Notes to Consolidated Financial Statements
Year Ended December 31, 2014

2. Operations of School Boards:

The Province of Ontario sets the tax rates to be applied to property assessment to generate tax levies to be collected and remitted to the school boards. The amounts collected and remitted are summarized below:

	2014	2013
	(In thousands of dollars)	
Taxation and user charges	\$ 53,833	\$ 52,614
Payments in lieu	316	296
Amount transferred to school boards	\$ 54,149	\$ 52,910

3. Bank Indebtedness:

The City's financial agreement with its bank provides for an operating credit facility of up to \$10,000,000 to finance expenses, pending receipt of property taxes and other income. Interest on funds drawn is charged at the bank's prime rate less 0.5%. As at December 31, 2014, there was \$Nil (2013 - \$Nil) drawn on the operating credit facility.

4. Long-term Investments:

Long-term investments, which consist primarily of government and financial institution bonds, are recorded on the Consolidated Statement of Financial Position at cost plus accrued interest and amortization of purchase premiums and discounts. They have a market value of \$115,832,666 at December 31, 2014 (2013 - \$110,052,511).

5. Contributions to Kingston Economic Development Corporation:

Kingston Economic Development Corporation is incorporated without share capital under the Ontario Corporations Act and the Ontario Municipal Act to enhance economic development in the greater Kingston Area.

The "Consolidated Statement of Operations" includes the following contributions made by the municipality to the corporation:

	2014	2013
	(In thousands of dollars)	
Kingston Economic Development Corporation Grant	\$ 2,655	\$ 2,590

The Corporation of the City Of Kingston
Notes to Consolidated Financial Statements
Year Ended December 31, 2014

6. Trust Funds:

Trust funds administered by the municipality amounting to \$158,894 (2013 - \$356,356) have not been included in the "Consolidated Statement of Financial Position" nor have their operations been included in the "Consolidated Statement of Operations".

7. Temporary Loans:

The City has financial agreements with the Ontario Infrastructure Projects Corporation (OIPC) for temporary capital loans up to a maximum of \$90,000,000 for the interim financing of various water, sewer, roads and building capital projects. As at December 31, 2014, the temporary capital loan balance is \$65,044,673 (2013 - \$7,650,891).

8. Provincial Grants:

Certain provincial grants are subject to annual final reviews and approvals by the Ministry. Any adjustments resulting from the review will be reflected in the year of Ministry approval as an adjustment to provincial grant revenues on the "Consolidated Statement of Operations".

9. Pension Agreements:

The City makes contributions to the Ontario Municipal Employees Retirement System Pension Fund (OMERS), which is a multi-employer plan, on behalf of its employees. The plan is a contributory defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay. Employers and employees contribute to the plan. Since any surpluses or deficits are a joint responsibility of all Ontario municipalities and their employees, the City does not recognize any share of the OMERS pension surplus or deficit in these consolidated financial statements.

The amount contributed to OMERS for 2014 was \$10,479,680 (2013 - \$10,372,090) for current service and is included as an expenditure on the "Consolidated Statement of Operations".

10. Employee Future Benefit Obligations:

(a) Extended Health Care, Dental, Life Insurance and Sick Leave Benefits:

The City pays certain life insurance benefits on behalf of the retired employees as well as extended health and dental benefits for early retirees to age 65. In addition, the City provides for an accumulated sick leave benefit plan for certain employees whereby unused sick leave can accumulate and employees may become entitled to a cash payment when they leave the City's employment. The City recognizes these post-employment and post-retirement costs in the period in which the employees rendered the services. An independent actuarial study of these benefits was undertaken at December 31, 2013, in order to determine the estimated accrued benefit liability to be reported in these financial statements for the City of Kingston.

Actuarial gains and losses are amortized on a straight-line basis over the expected average remaining service life of the related employee groups, which is estimated to be between 11 and 13 years.

At December 31, 2014, the City's accrued benefit liability relating to post-retirement and post-employment benefit plans is \$30,668,364 (2013 - \$28,840,454).

The significant actuarial assumptions adopted in estimating the City's accrued benefit liability for extended health, dental, life insurance and sick leave benefits are as follows:

Discount rate	4.75% per annum
Inflation rate	2.0% per annum
Salary escalation	2.5% per annum for first 3 years, increasing to 3% thereafter
Dental benefits escalation	4.0% per annum
Health benefits escalation	6.0% per annum in 2014, decreasing to 4.0% over 9 years

An independent actuarial valuation was also completed by 1425445 Ontario Limited (operating as Utilities Kingston) for the water, sewer and gas utilities employees' post-employment and post-retirement costs as at December 31, 2013. This liability is reported on these financial statements as an amount due to 1425445 Ontario Limited (operating as Utilities Kingston) in respect of costs incurred by them to manage the City's utility services.

11. Long-term Liabilities (Continued):

(c) (continued):

Approval by by-law has also been obtained for pending issues of long-term liabilities and commitments to be financed by revenues beyond the term of Council. The principal and interest payments required to service pending issues and commitments are also within the debt repayment limit prescribed by the Ministry of Municipal Affairs & Housing.

(d) Total debt charges incurred during the year with respect to the long-term liabilities in (a) are as follows:

	2014	2013
	(In thousands of dollars)	
Principal payments	\$ 11,061	\$ 9,900
Interest	12,381	10,270
	\$ 23,442	\$ 20,170

Interest charges are included on the "Consolidated Statement of Operations", classified under the appropriate functional expenditure headings.

12. Deferred Revenue – Obligatory Reserve Funds:

A requirement of the public sector accounting standards of the Chartered Professional Accountants of Canada is that obligatory reserve funds be reported as deferred revenue. This requirement is in place as provincial and municipal legislation restricts how these funds may be used. The balances in the obligatory reserve funds of the City are summarized below:

	2014	2013

13. Provincial Offences Administration (POA):

Effective March 13, 2000, the City of Kingston assumed the administration of the Provincial Offences Office in Kingston. The transfer of administration from the Ministry of Attorney General to the City was a result of Provincial Offences Act (POA) 1977, which provides the framework for the transfer of responsibility and administration of POA courts.

The POA is a procedural law for administering and prosecuting provincial offences, including those committed under the Highway Traffic Act, Compulsory Automobile Insurance Act, Trespass to Property Act, Liquor Licence Act, Municipal By-Laws and minor federal offences. The POA governs all aspects of legal process from serving notice to a defendant, to conducting trials, including sentencing and appeals.

Balances arising from operation of the POA office have been consolidated with these financial statements effective from the March 13, 2000 assumption of this operation by the City. The revenue of the court office consists of fines levied under Parts I and III (including delay penalties) for POA charges filed in the Kingston court.

Offenders may pay their fines at any court office in Ontario, at which time their receipt is recorded in the Integrated Courts Operation Network System (“ICON”) operated by the Province of Ontario. Revenue is recognized when receipt of funds is recorded by the provincial ICON system regardless of the location where payment is made. Total revenue and expenditures of the POA office are as follows:

	2014	2013
	(In thousands of dollars)	
Gross revenues received	\$ 1,709	\$ 1,840
Gross expenditures	(985)	(1,012)

14. Landfill Closure and Post-Closure Liability:

The Environmental Protection Act sets out the regulatory requirements to properly close and maintain all active and inactive landfill sites. Under environmental law, there is a requirement for closure and post-closure care of solid waste landfill sites. This requirement is to be provided for over the estimated remaining life of the landfill site based on usage.

Landfill closure and post-closure care requirements have been defined in accordance with industry standards and include final covering and landscaping of the landfill, pumping of ground water and leachates from the site, and ongoing environmental monitoring, site inspection and maintenance. The reported liability is based on estimates and assumptions with respect to events extending over a twenty-five year period using the best information available to management. Future events may result in significant changes to the estimated total expenditures, capacity used or total capacity and the estimated liability, and would be recognized prospectively, as a change in estimate, when applicable.

The City currently has three inactive landfill sites. The Kingston East site was closed to use by the public by December 31, 2010, and was closed completely in 2013. Estimated total landfill closure and post-closure care requirements include closure activities as well as annual post-closure maintenance and monitoring requirements for a twenty-five year period.

The Kingston West site was closed in 1989. The Belle Park Landfill site was closed in 1976. Post-closure care requirements include additional closure costs anticipated for these sites as well as annual post-closure maintenance and monitoring requirements, calculated for a twenty-five year period.

Estimated total expenditures represent the sum of the discounted future cash flows for closure and post-closure care activities discounted at the City's average long-term borrowing rate of 4.75% and using an assumed rate of 2.0% for inflation. The estimated total landfill closure and post-closure care expenditures are calculated to be approximately \$6.1 million. For sites that are inactive, the estimated liability for these expenditures is recognized immediately. Included in liabilities on the Consolidated Statement of Financial Position at December 31, 2014 is an amount of \$6,134,445 (2013 - \$6,657,520) with respect to landfill closure and post-closure liabilities recognized to date.

The Corporation of the City Of Kingston
Notes to Consolidated Financial Statements
Year Ended December 31, 2014

15. Contingent Liabilities:

- (a) The nature of municipal activities is such that there may be litigation pending or in prospect at any time. With respect to claims at December 31, 2014, management believes that the City has valid defenses and appropriate and adequate insurance coverages in place. In the event any claims are successful, the amount of any potential liability is not determinable, therefore no amount has been accrued in the financial statements.
- (b) The City operated a coal gasification plant within the downtown area of the City from the mid-1800's through to the 1950's. Coal tar, a by-product of the coal gasification process, may have led to the contamination of soils and groundwater in the area of the former plant.

In some cases, private properties may have coal tar or coal compounds in the deep groundwater beneath them in which case some years ago the City provided written notice to the owner and at the same time confirmed that there were no risks to human health related to coal tar. The City has a community improvement brownfields program in place that may provide funding for incremental costs, if any, that are directly related to coal tar. In addition, the City may enter into agreements that provide for indemnities to landowners against any third party claims or Ministry of Environment orders should any such claim or order arise.

Existing agreements related to coal tar do not establish any current financial obligation for the City. The amount of any potential liability or the likelihood thereof with respect to any potentially contaminated properties is not determinable, therefore no amount has been accrued in the financial statements.

16. Commitments:

- (a) The City of Kingston has negotiated a non-exclusive long-term contract with Waste Management of Canada (formerly Canadian Waste Disposal) for handling and disposal of garbage which expires on January 31, 2015. Annual charges under the contract are determined by reference to certain waste volumes handled. Payments made under the contract for the year 2014 were approximately \$1,826,673 (2013 - \$1,639,061). A new 5 year contract with BFI Canada starts on Feb 1, 2015.

16. Commitments (Continued):

- (b) 1425445 Ontario Limited (operating as Utilities Kingston) has entered into operating contracts to provide gas transportation, gas storage and purchases of natural gas as part of the management agreement with the City of Kingston. Costs incurred have been reimbursed and are reported as expenditures on the Consolidated Statement of Operations.
- (c) The City previously entered into an agreement with the County of Frontenac to share in the capital cost of the reconstruction project for Fairmount Home for the Aged. The majority of total project cost of \$18.2 million has been financed by long-term debt in the amount of \$17.2 million. The City is responsible for 68% of the related debt repayment costs and incurred related debt charges in 2014 in the amount of \$712,503 (2013 - \$712,503).
- (d) In 2008, the Corporation of the City of Kingston pledged to the University Hospitals Kingston Foundation, a joint fundraising appeal undertaken by the Foundation on behalf of local hospitals, \$10,000,000 plus 50% of the costs of development charges and impost fees up to a maximum of \$6,000,000. The City has paid \$9,550,000 of this 10-year commitment as of December 31, 2014.
- (e) The Corporation of the City of Kingston and 1425445 Ontario Limited (operating as Utilities Kingston) on behalf of the City of Kingston have previously entered into capital contracts:

19. Tangible Capital Assets (Continued):

(b) Write-down of tangible capital assets:

The write-down of tangible capital assets during the year was \$Nil (2013 \$Nil).

(c) Works of art and historical treasures:

The definition of tangible capital assets specifically excludes museum and gallery collections and other works of art. The City owns a number of paintings, other pieces of artwork and museum artifacts that are displayed in various City buildings. These assets are not recorded as tangible capital assets and are not amortized.

(d) Capitalization of interest:

As per City policy, interest costs incurred with respect to financing the acquisition or construction of a tangible capital asset up to the date that the asset goes into use are not capitalized. In 2014, these interest costs are included as expenses on the "Consolidated Statement of Operations" in the amount of \$2,000,733 (2013 - \$1,897,519).

20. Segmented information:

The City is a municipal government institution, responsible for providing a range of services to its citizens. For management reporting purposes the City's operations and activities are organized and reported by department. These departments are reported by functional area in the body of the financial statements similar to reporting reflected in the Ontario Financial Information Return. These functional areas represent segments for the City of Kingston and expanded disclosure by object has been reflected in the Consolidated Schedule of Segment Information.

For each segment separately reported, the segment revenue and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in note 1.

INDEPENDENT AUDITORS' REPORT

To the Members of Council, Inhabitants and Ratepayers of the Corporation of the City of Kingston

We have audited the financial statements of the trust funds of the Corporation of the City of Kingston, which comprise the statements of financial position as at December 31, 2014 and the statements of continuity of trust fund for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

In common with many trust funds, the Corporation of the City of Kingston trust funds derive revenue from residents' deposits, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the entity and we were not able to determine whether, as at or for the years ended December 31, 2014 and December 31, 2013, any adjustments might be necessary to contributions, excess of revenues over expenses, current assets and fund balances.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of the Corporation of the City of Kingston trust funds as at December 31, 2014, and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Notes to Financial Statements

Year Ended December 31, 2014

1. Significant Accounting Policies:

The financial statements of the Corporation of the City of Kingston Trust Funds are prepared by management in accordance with Canadian public sector accounting standards.

(a) **Basis of Accounting:**

These statements reflect the assets, liabilities, revenue and expenditures of the Trust Funds.

(b) **Revenue Recognition:**

Revenue and expenditures are recorded on an accrual basis.

The accrual basis recognizes revenue as they become available and measurable. Expenditures are recognized as they are incurred and measurable as a result of the receipt of goods or services and the creation of a legal obligation to pay.

(c) **Use of Estimates:**

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenditures during the period. Actual results could differ from those estimates. These estimates are reviewed periodically and as adjustments become necessary, they are recorded in the financial statements in the period in which they become known.

2. Statement of Cash Flows:

A statement of cash flows has not been included in these financial statements as it would not provide additional meaningful information.
