INTERIM PROPERTY TAX BILLS must be paid by February 28

Didn't get your bill? Contact customer service at 613-546-0000.

If you own property in Kingston, you should now have your property tax bills. If you have property in both the capped (commercial, industrial and multi-residential) and uncapped (residential, farm and managed forest) property classes, you should receive two bills.

Failure to receive your tax bill does not excuse a ratepayer from the responsibility for payment nor relieve the liability of penalty for late payment. A penalty of 1.25 per cent is charged on unpaid installments on the first day of default and interest of 1.25 per cent is charged on the first day of each month thereafter. Penalty and interest charges cannot be waived.

ARE YOU ELIGIBLE FOR A TAX REBATE?

February 28, 2018 is the last day eligible property owners can apply for the City's tax rebate programs for 2017, including:

- the registered charity property tax rebate program and
- the rebate for vacant units in commercial or industrial property.

More information on the rebate programs including downloadable applications can be found at [CityofKingston.ca/taxrebates](#) or by calling 613-546-0000. Applications for the rebate programs are also available at City Hall, 216 Ontario St.
