4. History of the Memorial Centre

Whereas it is being proposed that the Memorial Centre Advisory Committee in conjunction with staff create a history of the Memorial Centre and include past events, occurrences, and memories of this building and grounds; and

Whereas millions of dollars have been spent to keep up the building, beautify the grounds, and create a wonderful water play area, much of the past history may be slipping away and forgotten; and

Whereas the collected history obtained from staff, councillors, and the general public can create a permanent history of this building as for many years it has been, and still is the hub of entertainment and sports for Kingston;

Therefore be it Resolved That Council direct staff to consider inclusion of the history of the Memorial Centre for evaluation through the Kingston Commemorations Strategy when approved by Council and based on available budgets or partnerships, grants or sponsorships; as sharing a history such as this would show how important the Centre has been and still is, another piece of Kingston's history would be preserved.

Whereas Fort Henry Investments Limited has applied for a zoning by-law amendment for the purpose of developing a business park and commercial development at 1122 John Counter Boulevard (File #D14-093-2014); and

Whereas concern was expressed by residents at the Public Meeting conducted December 4, 2014 in respect to numerous site plan issues such as noise, fencing, separation distance, garbage placement, lighting, and landscaping; and

Whereas the delegation of authority by-law allows for Council to “bump-up” site plan control applications to Planning Committee; and

Whereas this procedure will provide transparency and allow the details to be debated in a public forum;

Therefore Be It Resolved That the site plan control application for 1122 John Counter Boulevard by Fort Henry Investments Limited be “bumped up” to the Planning Committee.
