RE: Arts Advisory Committee

Hi Jocelyn:

Again this fall the Kingston Arts Council will review the Plan for Administration of the City of Kingston Arts Fund, considering any changes that might be made to the document and preparing it for presentation to ARCP and City Council in the new year.

We would like to invite a member of the Arts Advisory committee to take part in these meetings, and ask if you could include this (Call for volunteers) on the agenda of your September 13 meeting.

Thanks,

Ted

Dear Susan,

As mandated, the Kingston Arts Council annually establishes a committee to review the **Kingston Arts Council Plan for Administration of Arts Funding for the Corporation of the City of Kingston Arts Fund** a document approved annually by Kingston City Council. The committee will meet this fall to review the 2012 plan and to consider possible improvements and amendments before the 2013 fiscal year.

We invite artists, arts organizations and community members taking part in Kingston based arts activities to provide feedback to the review committee. Please provide feedback in the form of a written submission of not more than 500 words with your comments and recommendations on the plan, referring specifically to headings and clauses in the plan.

In particular, we are seeking input on the experience of applicants who applied to the CKAF Project Grant Program as a three-person collective without a sponsor. We encourage your feedback on the CKAF application and administrative processes as 2012 was the first year the program included collectives without sponsorship by another organization.

Please submit your feedback via email to grants@artskingston.ca no later than Friday, September 14th, 2012 at 4pm.
