2. The percentage under paragraph 1 may be different for different property classes but shall be the same for all properties in a property class.
3. For the purposes of calculating the total amount of taxes for the previous year under paragraph 1, if any taxes for municipal and school purposes were levied on a property for only part of the previous year because assessment was added to the collector's roll during the year, an amount shall be added equal to the additional taxes that would have been levied on the property if the taxes for municipal and school purposes had been levied for the entire year; and

**Whereas** sub-sections 345(2) and (3) of the *Municipal Act, 2001*, contain the following additional rules:

1. A percentage charge, not to exceed  $1\frac{1}{4}$  per cent of the amount of taxes due and unpaid, may be imposed as a penalty for the non-payment of taxes on the first day of default or such later date as the by-law specifies.
2. Interest charges, not to exceed  $1\frac{1}{4}$  per cent each month of the amount of taxes due and unpaid, may be imposed for the non-payment of taxes in the manner specified in the by-law but interest may not start to accrue before the first day of default; and

**Whereas** sub-section 346(2) of the *Municipal Act, 2001*, c.25, as amended, provides that the council of a local municipality may pass by-laws to provide for the payment of taxes by any person into a financial institution to the credit of the treasurer of the municipality and, in that case, the person making the payment shall be entitled to be issued a receipt by the institution for the amount paid; and

**Whereas** Council deems it expedient to pass a by-law for such purposes;

**Therefore be it resolved that** the Council of The Corporation of the City of Kingston hereby enacts as follows:
